Youth Week WA is the biggest celebration of young people aged 10 to 25 years in Western Australia. The State-wide initiative provides opportunities for young people to connect, learn new skills and showcase their talents; while providing the wider community a chance to recognise and acknowledge the contributions young people make.

If you are a local government, organisation or community group interested in delivering events for young people in your community during Youth Week, check your eligibility to apply for a 2026 Youth Week Grant now!
