## WYAC Youth Leading the Way

The Wyndham Youth Advisory Committee (YAC) is stepping into 2026 with impressive momentum, taking an active leadership role in planning exciting youth activities for next year. The committee has also taken its first steps in providing meaningful counsel on youth concerns in Wyndham. Through open conversations, YAC members identified key priority areas affecting young people, shared how they would like to receive support, and outlined the resources they believe would make the most difference. The future is looking bright, and the YAC committee is helping to lead the way.

## Community Collaboration - Kununurra Night Space Co-design

A significant milestone for the Kununurra Night Space co-design project was reached when community consensus decision-making workshops were held on 11-12 November 2025.

Over 60 stakeholders attended the workshops where key decisions were made regarding the service model, operations, and integration with existing youth services. We look forward to sharing the next steps of the project on its journey towards a successful safe space for young people of the East Kimberley. Follow the link below to hear KJJS's

Kristy and Jon discuss their experience at the workshops.

## Excellence Awarded in Halls Creek

## Fitzroy Crossing Night Place Milestone

Congratulations to Jungarni-Jutiya Indigenous Corporation (JJIC) who were announced as the winners of the *For Community Purpose Award* at the inaugural Halls Creek Business Excellence Awards. It is wonderful to see JJIC's tireless commitment acknowledged by the wider community.

Heartfelt congratulations are also extended to Marra Worra Worra who celebrated the first birthday of the Fitzroy Crossing Youth Connection Night Place in October. The celebration

was attended by local leaders, stakeholders, families, staff and of course the young people for whom the Night Place was established. From the warmth and pride on display, it is clear the Night Place has a valued spot in the heart of the community and will continue to thrive as a welcoming and supportive space for the young people of Fitzroy.
