

# Communities Inclusion Connection Team

## Easy Read factsheet

The **Communities Inclusion Connection Team** is called **CICT** for short.

CICT has 3 main jobs

### 1. Navigation

Navigation means giving people information so that they know where to go.

### 2. Connection

Connection means making sure people have the support services they need.

### 3. Engagement

Engagement means getting people in touch with community groups that can help them.

## Who can get CICT?

CICT can help people with disability who are having a very hard time in life.

Anyone in WA can call CICT for help.

CICT helps people for a short time until they find supports.
