Department of **Mines, Petroleum and Exploration**

GOVERNMENT OF WESTERN AUSTRALIA

Investment Opportunities

Copper (Cu)

Western Australia's copper sales revenue for 2025–26 was worth more than **A$1.11 billion**

All data extracted as at: September 2026

Projects with copper resources > 30 kt, ranked by contained copper as at September 2026

Mineral Resource Estimates reported in accordance with JORC (2012) unless otherwise stated

Project	Stage	Owner	Resources (Mt)	Av. grade Cu (%)	Contained Cu (kt)	Resource date

Stratabound volcanic-hosted massive sulphides | Orthomagmatic mafic and ultramafic | Porphyry related | Stratabound sediment-hosted | Vein and hydrothermal | Skarn

Resource Estimates have been rounded

^ Mineral Resource estimates are not reported in accordance with JORC 2012, but are CRIRSCO equivalent.

^^ Mineral Resource estimates are reported in accordance with JORC 2004.

* Resource is across two projects - Mt Sholl and Mt Sholl Ni-Cu-PGE.

\# Forms part of the larger Whim Creek Project by Anax Metals and Develop Global.

\+ Previously called Sulphur Springs Project.

Spatial and resource estimates data sourced from WA Mines and Mineral Deposit database (MINEDEX).

Note: the table does not include inactive projects.

Western Australia hosts world-class copper deposits

Copper in Western Australia:

- Current mineral resources are ~16.8 Mt of contained copper.
- 2025–26 copper production was from the Golden Grove and Boddington Projects.

Completion of technical studies:

- Final Investment Decision (FID) for Yitirrti (previously Sulphur Springs) (Develop Global).
- Caravel Copper (Caravel Minerals).
- Whim Creek (Anax Metals / Develop Global) — updated Definitive Feasibility Study.

Resource updates:

- Golden Grove (29Metals).
- Telfer and O'Callaghans (Greatland Resources).
- Boddington (Newmont).
- Neds Creek (BOA Resources).
- Minyari Dome (Antipa Minerals).
- Whim Creek (Anax Metals / Develop Global).
- Panton (Future Metals).
- Caravel Copper (Caravel Minerals) – reserves only.

Discoveries:

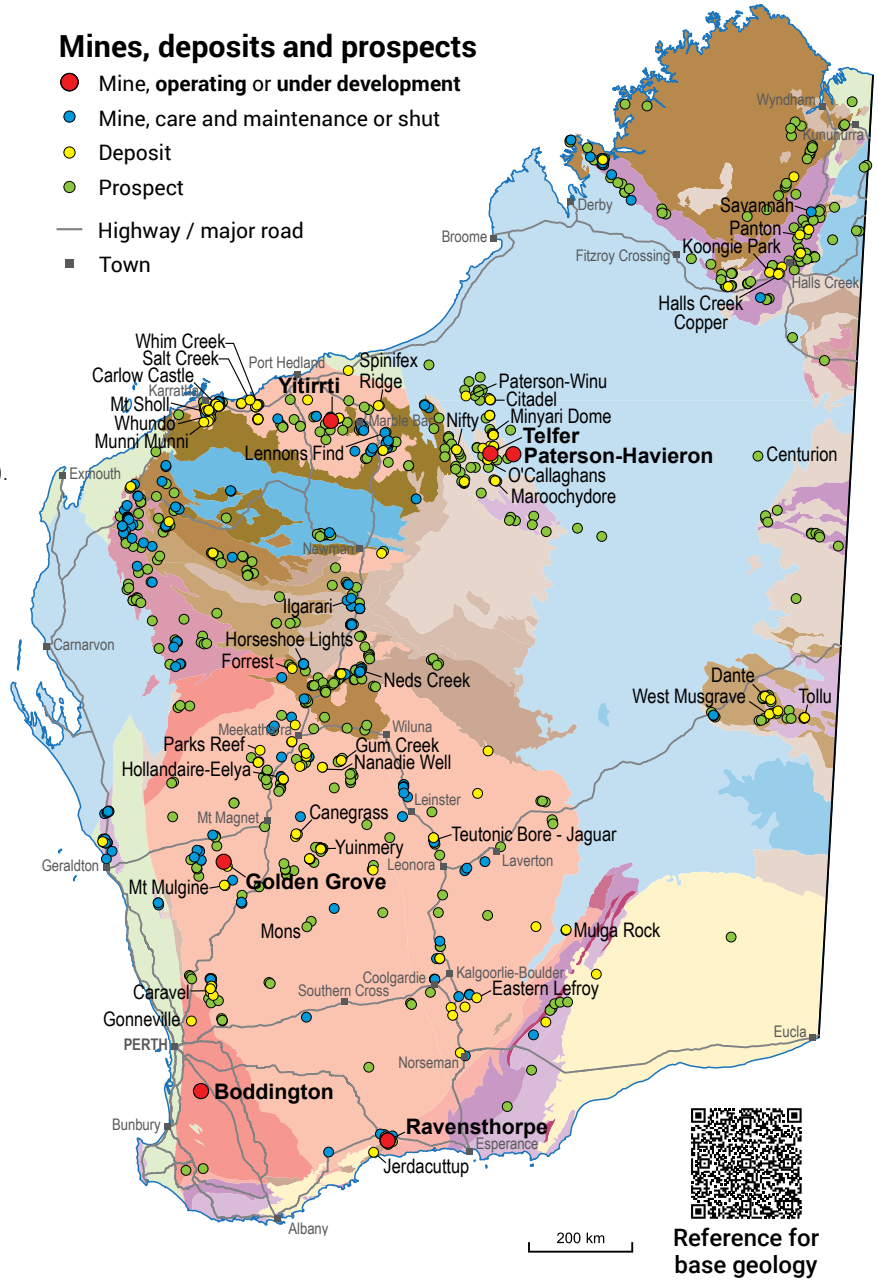

- Sneaky Squirrel – Mons (Nimy Resources).
- Yolanda – Minyari Dome (Antipa Minerals).

EIS drilling results:

- Ilgarari (Lord Resources).
- Tollu (Redstone Resources).
- Centurion (Buxton Resources).
- Lennons Find (Orange Minerals).

Exploration results from other drilling:

- Nanadie Well (Solstice Minerals).
- Minyari Dome (Antipa Minerals).

Reference for base geology

'EIS Drilling' refers to drilling supported by the Western Australian Government's Exploration Incentive Scheme co-funded drilling program.
