INFORMATION SHEET

# Approved Practical Training Providers

## Purpose of This Information Sheet

- A list of approved firearm dealer licence holders who are authorised to provide practical firearm safety training under *Firearms Act 2024* and *Firearms Regulation 2024.*
- Only firearm dealers listed below have been approved by the Regulator as approved firearm trainers.

## Legislative Authority

- The authority for practical firearm safety training is provided under:
  - Section 122 of the *Firearms Act 2024*, which allows the Firearms Regulations to extend the authority of a firearm dealer licence; and
  - Regulation 194 of the *Firearms Regulations 2024,* which permits an approved firearm dealer licence holder to provide a practical firearm safety training course.

## What This Means for Applicants

- If you are required to complete practical firearm safety training, you must undertake that training with one of the approved trainers listed below.
- Training completed with a trainer not on this list will not be accepted.

## Approved Practical Firearm Trainers

- The following firearm dealer licence holders are authorised to provide practical firearm safety training.
- Note: Contact details are provided to assist you in arranging training. Availability, fees and training locations are determined by the provider.

## Important information

- Inclusion on this list confirms the provider is authorised to deliver practical firearm safety training only.
- Approval does not extend to any other licensing or training activities unless separately authorised under the legislation.
- This list may be updated from time to time. Applicants should ensure the provider remains approved at the time training is undertaken.
