

# Road Safety Community Initiative Event and Project Awarded Grants 2025/26

The Government of Western Australia makes funds available from the Road Trauma Trust Account (RTTA) for community initiatives that assist in promoting road safety messages across the State. We thank all grant recipients who have collaborated with their communities to support local road safety projects and events that drive positive change on Western Australian roads.

## ROAD SAFETY COMMUNITY EVENT GRANTS 2025/26 Round 1

Organisation Name	Brief Grant Overview	Region	Amount
Bibra Lake Residents Association	Bibra Lake Residents Association will host a community family day during which they will promote slowing down along local roads.	South Metro	\$3,000
Brilliant Brains Co. Inc	Brilliant Brains Co will host evidence-based neuroaffirming education workshops for parents/carers of people with disability to support drivers managing challenging behaviours in the car.	North Metro	\$5,000
Wickepin Community Resource Centre Inc	Wickepin Community Resource Centre will host Drive Safe Wickepin Markets on the main street to encourage drivers to slow down, stay alert and prioritise pedestrian and community safety.	Wheatbelt	\$3,000

ADHD Australia	ADHD Australia is bringing its Road Safety for Every Mind program to WA schools to help parents and carers of children with ADHD understand how attention and impulsivity affect safety on and around roads.	Statewide Project	<b>\$19,500</b>
<b>Total:</b>			<b>\$ 177,200</b>
<b>Total (all Grants) Round 1 2025/2026:</b>			<b>\$ 254,473</b>

### ROAD SAFETY COMMUNITY EVENT GRANTS 2025/26 Round 2

Organisation Name	Brief Grant Overview	Region	Amount
Australia's South West on behalf of Great Southern Treasures	Bloom Festival's large, region-wide events will integrate promotions into well-attended activities, helping raise awareness and encourage safer driving behaviours, contributing to reduced risk on regional roads.	South West	<b>\$5,000</b>
Dalwallinu Community Resource Centre Inc.	Shed Talk Night targets high-risk groups in farming, transport and trades with tailored discussions on fatigue, drink driving, speeding and mental health by encouraging open conversations and practical awareness.	Wheatbelt	<b>\$4,650</b>

Shire of Chittering - Chittering Visitor Centre	Taste of Chittering will promote pedestrian awareness, accessible crossings, and zero-alcohol driving, the initiative encourages safer behaviours among both drivers and vulnerable road users.	Wheatbelt	<b>\$5,000</b>
Shire of Gnowangerup	The Gnowangerup community event uses interactive education and free helmet distribution to promote safer cycling among children and young people.	Great Southern	<b>\$5,300</b>
Shire of Waroona	This event uses a realistic crash simulation and expert insights to highlight the serious consequences of drink, drug, distracted and fatigue driving for young and emerging drivers.	Peel	<b>\$2,500</b>
Bindoon and Districts Agricultural Society Inc.	The Bindoon Show & Rodeo supports road safety by providing affordable on-site camping to reduce late-night travel to minimise fatigue and alcohol-related driving risks.	Wheatbelt	<b>\$5,000</b>
Capel Adult Riding Club Inc	The Capel Adult Riders Group program builds practical skills in towing, load safety and hazard awareness to support safer road use for horse riders to reduce risks associated with float transport and promotes safer outcomes on shared roads.	South West	<b>\$2,800</b>
Cannington Punjabi Club Inc	Mela Cannington Da provides an opportunity to deliver culturally inclusive road safety messaging, increasing awareness of safe speeds, vehicle safety, and responsible road use, encouraging safer behaviours across the community.	Perth Metro	<b>\$3,100</b>
Shire of Wyalkatchem	The Wyalkatchem Rodeo Markets will use interactive education attractions to help reduce risk and promote safer behaviour among all road users.	Wheatbelt	<b>\$3,000</b>
Transafe.com Inc t/a TRANSAFE WA	The iNSTRUCKTA! safety truck at the Perth Royal Show will provide interactive education to improve awareness of truck-related risks and promoting safer behaviours to help reduce the likelihood of road trauma.	Perth Metro	<b>\$3,000</b>
<b>Total:</b>			<b>\$ 39,350</b>

### ROAD SAFETY COMMUNITY PROJECT GRANTS 2025/26 Round 2

Organisation Name	Brief Project Overview	Region	Amount
Sandon WA Inc	This program delivers targeted road safety workshops for parents and carers of neurodivergent children, addressing driver distraction and unsafe in-vehicle behaviours by providing practical strategies to manage sensory and emotional challenges.	Pilbara & Perth Metro	<b>\$25,000</b>
Shire of Moora	This project uses community-designed bin stickers to remind drivers to slow down and watch for children in residential areas. By combining local engagement with visible safety messaging, it reinforces awareness and encourages safer driving behaviours.	Wheatbelt	<b>\$7,898</b>
Shire of Gnowangerup	Ride Wild, Ride Safe provides practical cycling education and skills training to improve safety for riders in shared road environments. By building confidence, increasing awareness of	Great Southern	<b>\$25,300</b>

	road rules, and supporting safer interactions between cyclists and drivers, it helps reduce risk across the community.		
Shire of Capel	This project uses culturally diverse, community-designed messaging to promote road safety awareness in Dalyellup. By engaging local schools, artists and community groups, it reinforces safer road behaviours through creative, inclusive and locally relevant communication.	South West	<b>\$25,000</b>
Polish School WA Inc.	This project delivers ongoing, age-appropriate road safety education to students, combining practical activities with real-world simulations to build skills and awareness. By reinforcing safe behaviours and road rule understanding from an early age, it supports safer decision-making and reduces risk for young road users.	Perth Metro	<b>\$25,300</b>
Shire of Three Springs	“Signs for Safer Streets” combines education and community messaging to raise awareness of key road safety issues such as speed, seatbelts and shared road use. By empowering students to create and display locally relevant safety messages, it encourages safer behaviours and reinforces awareness across the wider community.	Wheatbelt	<b>\$5,148</b>
Pakistanis In Australia Inc.	“Road Safety Starts with ME” uses gamified learning to engage young people and families in interactive road safety scenarios. By improving knowledge retention and risk awareness through participation and peer learning, it encourages safer attitudes and behaviours on the road.	Perth Metro	<b>\$14,300</b>
South Perth Cycle Club	This event promotes safer competitive cycling through targeted messaging on riding risks in shared road environments. By building skills, awareness and safer riding practices, it aims to reduce risk for cyclists and improve interactions between riders and other road users.	Perth Metro	<b>\$5,000</b>
<b>Total:</b>			<b>\$ 132,946</b>
<b>Total (all Grants) Round 2 2025/2026:</b>			<b>\$ 172,296</b>
<b>Total (all Grants) 2025/2026:</b>			<b>\$ 426,769</b>
