

Keep your home strong, safe and alcohol-free.

Taking a break from alcohol can help you build a calmer, safer home. You can apply to make your home alcohol-free.

Why make your home alcohol-free?

A strong home starts with you.

Living in an alcohol-free home helps you:

- feel safer in your own space
- reduce stress and arguments
- support your kids and family
- create a stronger, more peaceful home.

Get support to keep your home alcohol-free

If alcohol is brought into your home:

- you can ask for help from the police to keep your home safe
- police can remove alcohol and people causing trouble.

Apply in 3 simple steps

1. Get an application

Download a form.

2. Fill it in

Include:

- your name and address
- why you want your home alcohol-free
- proof you live there

Let others in your home know.

3. Send it in

You can send your application:

- online
- by email
- by post
- in person

Scan the QR code to download the application,
and find out how to return your completed form.

Support services are available in your region to help you while on the BDR.
