IMPORTANT NOTICE TO EMPLOYERS

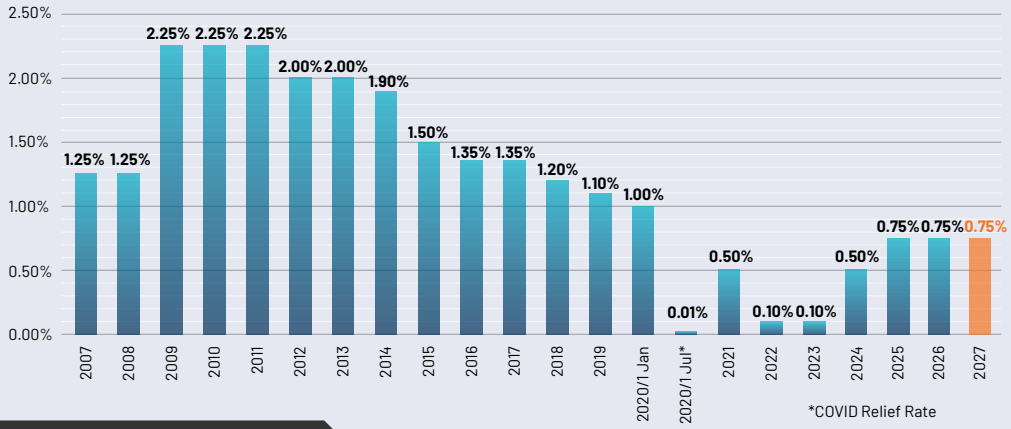

2027 Contribution Rate

Following MyLeave's annual review, the Contribution Levy for the 2027 calendar year will remain at **0.75%** of the ordinary rate of pay.

The Contribution Levy is calculated based on multiple factors, including industry wages, workforce demographics, and financial data. These inputs are used to determine long service leave liabilities.

Employers will continue to benefit from a low levy that is below the long-term cost of worker entitlements of approximately 1.1% per annum.
