**The Department of Justice
Graduate Program is your pathway to success**

We are with you every step of the way

The Department of Justice supports the community, government, judiciary and Parliament by providing access to high quality justice, legal and corrective services, information and products.

It is one of the most diverse public sector organisations with the potential to affect all Western Australians.

“My role involves navigating challenging legal, policy and case management issues concerning vulnerable young people.”

After completing the 2023 Graduate Program, Jessica continues to positively contribute to the work of Youth Justice Services.

Bachelor of Laws, Bachelor of Arts
(Philosophy, International Relations)

The Department of Justice Graduate Program consists of three rotations over 12 months. The Program provides on-the-job learning, inter-departmental development and networking, and leadership forums with the Department's Senior Executives and subject matter experts.

Graduate Officers are provided with career counselling and support from a formal mentor, the Graduate Coordinators and their line managers.

Our Program's objective is to shape the Department's future leaders.

"I'm excited to be using my degree in a practical way as a Graduate Officer. The Finance team is a great place to engage with a variety of stakeholders and learn from my colleagues."
