Declaration

In accordance with regulation 20(1) of the *Environmental Protection (Prohibited Plastics and Balloons) Regulations 2018* I consider that it is reasonably necessary to grant Exemption Notice SUP0007/2022/1.

I HEREBY EXEMPT the Exemption Holder from regulation 7(1) of the *Environmental Protection (Prohibited Plastics and Balloons) Regulations 2018*, subject to the conditions set out in this notice.

Sarah McEvoy

Executive Director

Strategic Policy

Department of Water and Environmental Regulation

Officer delegated under section 20 of the *Environmental Protection Act 1986* (WA)

Delegation No. 161

6 February 2023

Interpretation

In this Exemption Notice:

- (a) the words 'including', 'includes' and 'include' in conditions mean "including but not limited to", and similar, as appropriate;
- (b) where any word or phrase is given a defined meaning, any other part of speech or other grammatical form of that word or phrase has a corresponding meaning;
- (c) unless specified otherwise, any reference to a section of an Act refers to that section of the EP Act; and
- (d) unless specified otherwise, all definitions are in accordance with the EP Act.

Conditions

Conditions of supply

1. The Exemption Holder may supply the prescribed plastic items listed in Table 1 of this Exemption Notice in the specified exempt circumstance and for the corresponding exemption reason only.

Australian Standards certification decision

2. On receipt of a determination from the Australasian Bioplastics Association for an application of certification under Australian Standards AS4736:2006 for a prescribed plastic item supplied under this Exemption Notice, the Exemption Holder must undertake the required action listed in Table 2, for the corresponding ABA determination and within the corresponding required completion timeframe.

Table 2: Australian Standards certification decision actions

ABA Determination	Required Action	Required completion timeframe
Certification granted	Notify the CEO of the certification determination	Within 10 business days
	Clearly identify the outcome of the determination on the Exemption Holder's website, supply records and purchase/ ordering systems etc.	Within 20 business days
Certification refused	Cease selling or supplying the prescribed plastic item which has received a refused determination by the Australasian Bioplastics Association.	Within 2 business days
	Notify the CEO of the refused certification determination.	Within 10 business days
	Notify any purchasers of the prescribed plastic item(s) purchased during the duration of this Exemption Notice that the certification application has been refused and the product(s) is now banned.	Within 20 business days

Reporting

3. Before 30 April 2023, the Exemption Holder must prepare and submit to the CEO an Exemption Evaluation Report that provides the following information:
 - (a) an update on the status of the certification applications made to the Australasian Bioplastics Association to certify the prescribed plastic item(s) exempt under this notice; and
 - (b) an estimated completion date for the certification process to be undertaken, including any completion dates for the relevant laboratory testing, anticipated dates to receive the relevant laboratory reporting or determination of the application by the Australasian Bioplastics Association.

Non-compliance reporting

4. Within 14 business days of becoming aware of any non-compliance with the conditions of this Exemption Notice, Exemption Holder must notify the CEO in writing of that non-compliance and include in that notification the following information:
 - (a) which condition was not complied with;
 - (b) the time and date when the non-compliance occurred;
 - (c) the details and result of any investigation undertaken into the cause of the non-compliance;
 - (d) what action has been taken and the date on which it was taken to prevent the non-compliance occurring again; and
 - (e) what action will be taken and the date by which it will be taken to prevent the non-compliance occurring again.

Revocation or Variation

5. In accordance with regulation 20(5) of the regulations this exemption notice may be revoked or varied by the CEO or a Delegated Officer at any time by written notice.

END OF CONDITIONS
