

Rent Deduction Scheme

Getting your Housing Authority accounts paid by Centrelink

Complete this form if you would like Centrelink to deduct your rent and/or other payments out of your Centrelink payments or Family Tax Benefit and send them straight to the Housing Authority.

This form can be used by anyone receiving a Centrelink payment (including former tenants) to pay any outstanding amounts owed to the Housing Authority.

The information you give to the Housing Authority or Centrelink is strictly confidential and cannot be disclosed to anyone else. Please note that any information you give may be used by Centrelink to check that you are getting your correct Centrelink entitlement.

If you have applied to receive a Centrelink payment but have not yet been paid, wait until you start getting paid before completing this form.

The Housing Authority operates within the Department of Communities.

How to stop, vary or suspend these payments

You can stop, vary or suspend the amount being deducted from your Centrelink payments by advising the Housing Authority.

In some cases six working days' notice is required to stop or suspend deductions.

To ensure your account does not go into arrears or default, you will need to make other payment arrangement if your Centrelink payments are cancelled.
