

## Metropolitan Regions

Rental housing in the metropolitan area is divided into zones representing groups of adjoining suburbs. You must choose only one zone when you make an application.

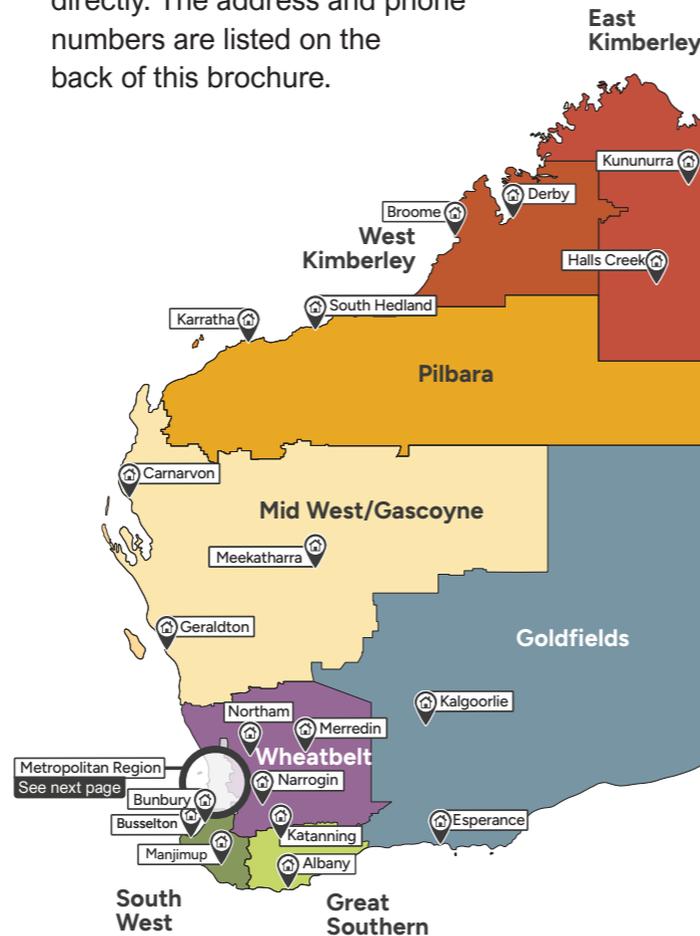

The metropolitan regions map shows which suburbs are in each zone to assist you in selecting a zone; however, you are not able to apply for a specific suburb. You will be listed for the zone of your choice and, therefore, may be offered accommodation in any of the suburbs within that zone. If there is a need to be close to a particular suburb, you will be given the opportunity to explain why and to provide supporting documentation when completing the 'Application for rental housing' form.

## Country Regions

Country areas are divided into the following regions – East Kimberley, West Kimberley, Pilbara, Wheatbelt, Great Southern, South West, Goldfields and Mid West/Gascoyne.

When applying for rental housing in the country regions, you must select a town within the region. If you want specific information about which towns in a region have rental accommodation and waiting times, please contact the appropriate regional office directly. The address and phone numbers are listed on the back of this brochure.
