INTRODUCTION

The Housing Authority was established by the *State Housing Act 1946 (WA)* and currently operates under the *Housing Act 1980 (WA)*.

The Housing Authority, through the State Government, is party to the *National Affordable Housing Agreement (NAHA)*.

NAHA is an agreement by the Council of Australian Governments that commenced on 1 January 2009, replacing the *Commonwealth State Housing Agreement*.

NAHA aims for all Australians to have access to affordable, safe and sustainable housing that contributes to social and economic participation.

THE HOUSING AUTHORITY'S OBJECTIVES

The Housing Authority provides public rental housing as an affordable option for eligible low income singles and families who are unable to afford private housing.

Under the Affordable Housing Strategy 2012-2020 the Housing Authority aims to provide 20 000 affordable housing opportunities by 2020. To achieve this, the Housing Authority is working widely with partners and markets to increase the range of housing options and solutions that are:

- Available (as and when needed)
- Affordable (within the means of low-to-moderate income households) and
- Appropriate (meets the needs of individual circumstances).

HOUSING AUTHORITY FUNCTIONS

The Housing Authority provides public, Aboriginal and regional housing, private rental assistance, Keystart home loans, land and property sales in metropolitan and country areas of Western Australia.

One of the Housing Authority's key functions is providing rental housing for low-income households who are often unable to obtain secure and affordable accommodation in the private rental sector. Some client groups such as Aboriginal and Torres Strait Islander peoples, older people, people with disabilities and singles experience difficulties accessing housing in the private market.

POLICY RENTAL MANUAL

This manual contains policies relating to the management of public housing. Policies relating to maintenance are not part of this manual.

The Housing Authority continuously reviews the Rental Policy Manual. The updated version is published internally and on the Housing Authority's external website, www.dohw.wa.gov.au.

LAYOUT OF THE MANUAL

The manual is divided into various policies. Policy statements are set out on the left-hand side of the page with the related guidelines on the right-hand side. Where appropriate, examples are given under "guidelines".

ELIGIBILITY

POLICY

ELIGIBILITY POLICY

PREAMBLE

Eligibility for public housing assistance is governed by a set of principles as follows:

- Access to housing assistance is to be provided to those unable to obtain adequate and appropriate housing through the private sector.
- Help is to be provided regardless of the age, gender, marital status, race, religion, disability or life situation of the applicant.
- Applicants and tenants must remain eligible while seeking and residing in public housing to ensure that housing assistance is provided to those in greatest need.
- Limits on eligibility are to be based primarily on the applicant's financial circumstances by taking into account:
 - Level of income;
 - Value of relevant assets and income derived from them;
 - Number of dependent children;
 - Costs arising from disability and other special circumstances; and
 - Limits on eligibility are to be reviewed at appropriate intervals of time.

The Housing Authority must also comply with the state *Equal Opportunity Act (1984)* when dealing with customers and the interests of the child will be paramount in all decision making in accordance with the *International Convention on the Rights of the Child*.

Income eligibility limits for assistance are reviewed regularly to reflect changes in gross weekly average earnings.

Applicants, partners and co-applicants must conform to the Housing Authority's eligibility criteria and all household members must conform to eligibility relating to a debt to the Housing Authority and home finance schemes administered by the Housing Authority.

ELIGIBILITY RELATING TO THE INCOME OF APPLICANTS

1. Applicants for public rental housing must have an income that falls within the Housing Authority's current income limits, which is assessed on a gross weekly (before tax) basis. Applicants, partners and/or co-applicants must be eligible at the time of application, through the period they are seeking assistance and before an offer of housing is made.

Dual Income - refers to an income earned by partners in the paid workforce and including Centrelink Benefits (i.e. Newstart) but not the Basic Family Tax Benefit A.

Income Eligibility Limits for Public Housing:

To be eligible for Housing Authority assistance the combined weekly gross income of applicant, partner and co-applicant must be below the following limits. Other household members' incomes are not assessed for eligibility (see s8 Eligibility Policy) however, will be considered when assessing rent.

If the region concerned is unable to clarify the income received from the taxation return provided, or to fully understand the assessment made, the services of a local taxation agent should be employed at the applicant/tenant's expense. (Taxation is a complex area and it often requires an expert to understand a business taxation return).

Applicants, whose income is derived from compensation payments due to a disability compensation payout, are eligible for Housing Authority assistance if their assessable income, **minus** care costs, does not exceed the Housing Authority income limits.

14. The Housing Authority may permit continuing ownership or joint ownership of property or land for a period of time after application, where there are specific difficulties relating to immediate disposal. However, sale of the property must have been concluded at the time of the allocation of a property.

GUIDELINES

13.1 A **Park Home** will be a barrier to public rental housing, only if it is so determined by Regional Management that it is suitable accommodation. Factors in this consideration will be the construction and permanency of the home, the suitability of the location and the needs/age of the applicant.

14.1 Examples:

- Where an applicant is pursuing a property settlement through the Family Court.
- Where the Housing Authority is building a property for a family which has a member with a disability.

Discretion can be exercised in all instances where there are specific difficulties in disposing of a property.

(See Discretionary Decision Making Policy)

Examples:

- Where the asset owned is a single block of residential land of little value and the applicant has no prospect of building a home on it.
- Where there is limited or no real estate market in the area concerned e.g. some rural areas experiencing an economic downturn.

ELIGIBILITY RELATING TO PROPERTY OWNERSHIP AND OTHER RESIDENCES

POLICY

15. Clients housed by Community Housing Organisations may apply for public rental housing assistance, where:
 - a) they are identified as having a priority housing need (see Priority Housing Need Policy) and the Community Housing Organisation confirms it is unable to meet that need; or
 - b) the housing provided by the Community Housing Organisation is of a short-term nature; or

ELIGIBILITY RELATING TO THE AGE OF APPLICANTS

POLICY

17. Applicants must be at least 16 years of age, with no upper limit on age.
18. A senior is classified as being 55 years or above or is the spouse of such a person.

GUIDELINES

- 17.1 Applicants under the age of 18 will be referred to support services, where appropriate.
- 17.2 Applicants between 16 and 18 years, who have a disability and have accommodation supports, should be referred to Housing Programs Directorate.
- 17.3 Applicants who are young people leaving Communities (Child Protection and Family Support) care, that are younger than 16 years of age, are qualified to accrue time on the Housing Authority's waitlist.
- 18.1 This is based on the definition of the *Retirement Villages Act (1992)*
- 18.2 Where possible, applicants under 55 years of age should be listed for family or singles accommodation.
- 18.3 Where local authority R codes require occupants of seniors' accommodation to be of a specific age, the Housing Authority will conform to the requirements.

ELIGIBILITY RELATING TO APPLICANTS WITH A DEBT TO THE HOUSING AUTHORITY

PREAMBLE

Some clients who apply for public rental housing assistance have debt from previous Housing Authority assistance. The Housing Authority requires that these clients enter into and maintain an arrangement to repay their debt. Discretion is available for applicants with extenuating circumstances (for example, Family Violence). See the Housing Authority Discretionary Decision Making Policy.

It must also be noted that the Housing Authority does not exercise a legal right to Joint and Several Liability and that joint applicants need only repay a proportion of the debt equal to the number of other tenants and need not accept responsibility for the proportion of the debt of the other party/s.

POLICY

19. Applicants with a debt to the Housing Authority will be requested to make arrangement to repay their debt; if applicable they may make application to participate in the Debt Discount Scheme.

The term 'applicant' under this policy refers to the applicant, their partner or a household member listed on the application.

Agreement to Repay the Debt

20. An applicant requiring public rental housing assistance with a debt to the Housing Authority must enter into an agreement to repay the debt on application for assistance. The applicant may apply to participate in the Debt Discount Scheme.
21. The agreement to repay the debt will be confirmed in writing with the applicant and include an itemised account of the debt. The Applicant may apply to participate in the Debt Discount Scheme.
22. Any applicant who defaults on an agreement to repay their debt may have their application for assistance withdrawn and will be required to reapply for housing assistance.

GUIDELINES

- 19.1 Also see Discretionary Decision Making Policy.

- Bankruptcy policy suspended May 2001. Debt repayment does not apply to the bankruptcy component of any debt – this debt is non-recoverable.

- 20.1 The debt must be paid off in regular instalments, as stipulated in the agreement.

- 22.1 The decision to withdraw the application will take into account the repayment history. Contact will be made with the applicant where possible, to ascertain whether there are any extenuating circumstances contributing to the default. Any future application after an application has been withdrawn may not have the benefit of the earlier listing date.

ELIGIBILITY RELATING TO APPLICANTS WITH A DEBT TO THE HOUSING AUTHORITY

POLICY

Debt Subject of Dispute

23. Where the debt is the subject of a dispute, which is pursued through court action or the Housing Authority Appeals Mechanism, no action will be taken until the process has been completed.

Referral to Commercial Debt Collection Agency

24. A debt will only be referred to a commercial debt collection agency, after all approaches from the Housing Authority have failed.

Statute-Barred Debt

25. Under the *Limitation Act 2005 (WA)* the period for a tenancy debt is 6 years. Expiration of the period does not expunge the debt as if it never existed but once this period has elapsed, the debt becomes “statute-barred” and legal recovery is not permitted.

Under the *Bankruptcy Act 1996 (Cth)*, where a client declares bankruptcy, the debt becomes “statute-barred”, subsequent discharge of the bankruptcy relieves the customer of the legal liability to repay the debt, but it does not expunge the debt as if it had never existed.

Repayment of statute-barred debts will not be pursued by the Housing Authority and will not preclude housing assistance being offered by the Housing Authority

GUIDELINES

- 23.1 This includes entering into an agreement to repay the debt.

- 24.1 Where personal contact can be made, the debtor will be contacted by the Housing Authority, advised of the debt and the intention to refer to a commercial agency and offered an opportunity to make repayment.

- 25.1 Repayment of statute-barred debts cannot be actively pursued.

- 25.2 Statute-barred debts can be reactivated if a client makes a payment or provides the Housing Authority with written acknowledgement that the debt exists. The debt then becomes Written Off Recoverable and standard recovery procedures resume.

ELIGIBILITY RELATING TO A BANKRUPT APPLICANT

PREAMBLE

- Housing Authority customers, who have made application for bankruptcy which includes a debt to the Housing Authority for rental assistance or Bond Assistance Loan (BAL), and who apply for housing assistance subsequent to the bankruptcy, will have their application assessed by and in the same eligibility criteria as any other applicant. Bankruptcy Policy suspended 16 May 2001. Debt repayment does not apply to the bankruptcy component of any debt – this debt is non-recoverable.

Tenants in Occupation are also covered by this policy, but for specific criteria for tenants, see Tenant Eligibility Policy.

POLICY

GUIDELINES

26.2 Discharged bankrupts must provide their Discharge Certificate.

Lodgement of Claim by the Housing Authority

27. When a customer with a debt to the Housing Authority makes application for bankruptcy, a proof of debt claim will be lodged with the Official Receivers Office.

Housing Authority Staff Member, Friends or Relatives

31. Employees of the Housing Authority who are eligible for public rental housing may make application for assistance, but their application must be approved by the Housing Authority's Executive before an allocation.

31.1 This is not a requirement of the *Housing Act (1980)* but is to ensure the integrity of the process.

31.2 Before the allocation of a property the Regional Manager of the region concerned must present a submission to the Executive outlining the details of the application.

31.3 If an application is rejected, a written copy of the reasons must be placed on the employee's file.

32. Friends and relatives of the Housing Authority's employees making application for assistance will have their application treated the same as any other customer making application for assistance.

TENANCY

MANAGEMENT

POLICY

TENANCY MANAGEMENT POLICY

PREAMBLE

This section deals with policies relating to the occupation of the Housing Authority's property. It also deals with the rights and responsibilities of a tenant and the contractual arrangement of tenancy.

Where a tenant does not adhere to the contractual obligations of the Tenancy Agreement the Housing Authority will take legal action to recover its property within the provisions of the *Residential Tenancies Act 1987* and reserves the right to withhold future housing assistance.

Continued public housing assistance is subject to a tenant's ongoing eligibility. If a tenant becomes ineligible for public housing, the Housing Authority may commence action to terminate the tenancy agreement. Tenants who are eligible for public housing may be required to relocate to an alternative public housing rental property if the Housing Authority wishes to recover the property they currently occupy for a specific reason.

The Housing Authority will take immediate action where there is sufficient evidence to seek the termination of the tenancy agreement. In some circumstances legal action will commence before a conviction.

If the public housing premises are a necessary component of criminal activity, it will be considered that the premises have been used for an illegal purpose and therefore action will be taken in line with this policy.

The Housing Authority will take action in line with this policy in all instances. Discretion cannot be applied by regional staff. In exceptional circumstances Executive Management may approve alternative action.

TENANT ELIGIBILITY POLICY

PREAMBLE

The Housing Authority has strict eligibility criteria for all applicants for public rental housing. These are based on an applicant's income, assets (property/land and cash assets), citizenship and residency status, age, and family size and subject to proof of identity.

Eligibility assessments are undertaken to ensure that tenants are eligible for public housing. While not all applicant criteria will be applicable to tenants, criteria relating to income, cash assets, ownership of property and land and family size/number of bedrooms continue to apply. Therefore, after occupation, the Housing Authority reviews ALL tenancies on an annual basis, to ensure continuing eligibility. Where a tenant's circumstances and their housing requirements have changed the Housing Authority may take action to ensure that housing assistance is provided to those in greatest need.

Tenants who cease to be eligible for public housing assistance or who fail to provide income details when required will no longer be eligible to have their income calculated by reference to income (see Rent to Income Policy) and will be required to pay Individual Property Market Rent.

Income Eligibility

Income eligibility for the Housing Authority's rental accommodation must be demonstrated and proven at the time of:

- (1) Application for rental assistance
- (2) Allocation of a property
- (3) For the purpose of rent assessment and
- (4) Annually, for the purpose of proving ongoing eligibility for public rental housing.

Applicants and tenants must also immediately declare to the Housing Authority any change in their financial circumstances as they occur.

In such situations an applicant or tenant **must** disclose and provide details of all sources of wage or salary income, statutory income, assets, shares or bonds, chattels, real property, assets held in corporate trust, inheritances, family trusts and any other income sources to which they are beneficially entitled. Failure to disclose all sources of income will result in the withdrawal of an application/allocation and recovery action in the case of an existing tenant.

Applicants or tenants who are unsure of what they are required to declare should discuss the matter with a Housing Authority's Regional Officer.

TENANT ELIGIBILITY POLICY

Tenants who become ineligible after signing the tenancy agreement.

All tenants in occupation who become ineligible for continued public rental housing assistance will be advised of alternative housing options to consider including:

- Home ownership options

- Affordable Rental Housing options through the community housing sector.

The Housing Authority will only allow a period of up to 6 months (except tenants residing in remote locations) from the date ineligibility is established for the tenant to source alternative housing. Should a tenant not pursue or take up any of these options, the Housing Authority will seek vacant possession of the premises at the expiry of the vacation period where a tenant does not source alternative housing options.

Tenants eligible to pay rent by reference to the household income will pay no more than 25% of the household income as rent. If 25% of the household income is more than the market rent then the rent payable is the market rent.

Tenants not eligible to pay rent by reference to the household income may pay a market rent which is more than 25% of the household income.

The Housing Authority is committed to providing a rent setting method that is fair and equitable for all public housing tenants.

After 28 March 2016 any income that is regular, ongoing and provided to meet the cost of living is considered by the Housing Authority to be “assessable” and used to calculate how much rent is payable. In addition, some previously non-assessable incomes and incomes assessed at less than 25% in the rent calculation became assessable at the full 25% rate from 28 March 2016. If applicable, tenants who occupied their current rental property before 28 March 2016 will receive rent increases until they are paying 25% of the assessable household income as rent or the market rent. The rent increases will be staged with increase limits applied to reduce the impact of the changes for these tenants.

POLICY

1. Tenants are required to pay 25% of the total assessable gross (before tax) income of all household members who have reached 16 years of age as rent or market rent, whichever is the lower amount.

Any income which is regular, ongoing and provided to meet the general costs of living is considered assessable income for the purpose of calculating rent.

GUIDELINES

- 1.1 Assessable income includes:
 - “General income” - e.g. wages, salaries, superannuation, salary sacrificed amounts, child maintenance and interest from financial assets including savings
 - “Statutory Income” - e.g. pensions, benefits and allowances.
- 1.2 Assessable income is further defined as payments that:
 - are or can be received as regular fortnightly income and therefore can be planned for;
 - are ongoing and for which recipients do not need to requalify for once eligible;
 - temporarily replace a recipient’s primary form of income - e.g. Paid Parental Leave;
 - are for, or able to be used for general livings costs.

3.1 Tenants may be required to pay market rent if they:

- are ineligible for public housing (refer to the Tenant Eligibility Policy for information about tenants residing in the North West or remote locations and those who become ineligible after occupying the premises);
- do not keep the Housing Authority up to date with changes to their household income;
- do not respond to the annual income review; or

3.2 Tenants paying rent under this option may pay a market rent which is more than 25% of their household assessable income.

Documentation Required for a Rent to Income Assessment

4. Applicants will be required to provide documentation as proof of income.

4.1 **Centrelink and Department of Veterans Affairs (DVA) pension or benefit recipients** will need to provide a Statement of Benefit from Centrelink or DVA that is not more than four weeks' old. The Housing Authority reserves the right to request such proof of a lesser period. A claim for benefit is not sufficient evidence.

POLICY

GUIDELINES

Cont...Documentation Required for a Rent to Income Assessment

- 4.2 **Wage and Salary** earners will need to provide their last 3 months' payslips if available, or alternatively have their employer complete an Employer Income Verification Statement. If payslips are provided, an average income will be determined for the rent assessment even if the payslips cover less than a 3 month period. Any variation in income will be taken into account for the rent assessment once 3 months' payslip history has been provided.
- 4.3 **Overseas pension recipients** must provide proof of the pension source and amount.
- 4.4 For the purpose of determining rent, **tenants not in receipt of an income or with an income lower than the base statutory benefit** who are eligible to make application for a statutory benefit but choose not to, will be deemed to be receiving the base statutory benefit for which they would be eligible.

Examples:

- A person who loses their job but would prefer to live off savings than apply for unemployment benefits.
- A person who loses all or part of their payment for a period because they have breached the Centrelink Activity Test.

Salary Sacrifice

5. Salary sacrificed payments (including superannuation contributions) are included in the total assessable income.

- 5.1 The salary sacrificed component is not deducted from the gross (before tax) income for the rent calculation.

Income from Assets

6. For the purpose of the rent to income assessment, all household members are required to declare all financial and property assets and income derived from these assets. Where an income from these assets is not provided, is not received, cannot be substantiated or does not accrue, then an income will be deemed, based on the net value of the asset, for the purposes of the rent to income assessment.

- 6.1 The deeming rate that is applied to the value of financial and property assets is in line with Centrelink's deeming rate for financial assets. (See Eligibility Policy for definition).

RENT TO INCOME POLICY

POLICY

GUIDELINES

Income from Self Employment

7. Self-employed tenants will have their rent to income assessed on the basis of their taxable income or an equivalent award wage for the occupation in that industry, whichever is the greater.
- 7.1 Self-employed tenants will need to provide their last financial year income tax assessment from the ATO. If they have difficulties in supplying this documentation, they will be assessed at the equivalent award rate for the occupation in that industry.
- 7.2 Where a household continues to be eligible for part or full Centrelink entitlements, including the New Enterprise Incentive Scheme (NEIS), then the assessable income will be the Centrelink entitlement or equivalent and the estimated profit from self-employment.
- 7.3 For the purpose of determining rent, where a couple are in a business partnership and the level of assessable income is less than an award wage for a similar occupation or trade, then only one wage is deemed.
- 7.4 The following is provided as an example only.
- A taxi driver is considered self-employed. As there is no award for taxi drivers the Transport Workers (Passengers vehicle) Award is the closest equivalent.
- A fulltime taxi driver working 38 hours per week would have an assessable income of the award rate.
- A part time taxi driver's assessable income will be calculated by multiplying the number of hours worked by the hourly rate.
- The hourly rate is calculated by dividing the award rate by 38 hours.

Lump Sum Compensation and Severance Payments

- | | |
|--|--|
| 8. Tenants in receipt of a lump sum compensation or severance payment will continue to have rent assessed on the same income they received before the receipt of the lump sum payment, for the period that they are excluded from receiving a Centrelink benefit or allowance. | 8.1 Centrelink excludes a person from receiving a benefit or allowance for a period of time after the receipt of a lump sum compensation payment. The exclusion period is based upon Centrelink calculations regarding the component of the payment that is for loss of income. |
| | 8.2 Centrelink may exclude a person from receiving a benefit or allowance for a period of time after the receipt of a lump sum severance payment. Centrelink's Unemployment Non-Payment Period may apply if a person becomes unemployed voluntarily or is dismissed by their employer due to misconduct. |
| | 8.3 Any interest received from the lump sum payment will be included as income. |
| | 8.4 Where the partner continues to be eligible for Centrelink entitlement other than Family Allowance, then this amount may not be assessed if this causes income to be double counted. |

Child Maintenance Payments

- | | |

Absentee Tenant Minimum Rent

- | | |

| 10. Tenants in sole occupation who are required to enter supported accommodation will have their rent reduced to the minimum rent of \$10 per week for a period of 3 months. If the tenant is absent from the property due to family and domestic violence, see the Family and Domestic Violence Policy. | 10.1 This is applicable to tenants who are entering into a specific rehabilitation program, respite, nursing home and outpatient treatment where they are required to pay rent or lodgings to another organisation. |
| | 10.2 Public housing tenants are eligible for Centrelink Rent Assistance when in supported accommodation. |

RENT TO INCOME POLICY

Cont.... Absentee Tenant Minimum Rent

GUIDELINES

- 10.3 A review will be undertaken at the end of 3 months. Absentee Minimum Rent can be cancelled at any time during the 3 month period if the tenant returns to the property or is found to be ineligible for the rent concession.
- 10.4 If there are other household members the rent is reassessed on their income only and no income details are entered for the tenant.
- 10.5 Tenants are to provide supporting documentation verifying that they are entering into a specific program to be entitled to Absentee Tenant Minimum Rent. Should they not remain in the program or are absent from the property for a period that is less than 3 months the Housing Authority is to be advised immediately they return to the tenancy and a new Rent Assessment Form is to be completed and submitted to the Housing Authority.
- 10.6 The tenant must advise the Housing Authority of contact address and telephone number(s) of the person(s) who will be taking care of the property during the absence period. The Housing Authority will enter into negotiations with the tenant and/or the nominated person in regard to property care and maintenance during the absence period.

Department of Veteran's Affairs (DVA) Disability Payments/Pensions

11. Tenants and other household members receiving a non-assessable DVA disability compensation payment / pension will have their rent assessed using the full rate of the Centrelink benefit they would otherwise be entitled to receive.

Non-assessable DVA disability payment / pensions:

- DVA Disability Compensation Payment - General Rate
- DVA Disability Compensation Payment - Intermediate Rate
- DVA Disability Compensation Payment - Special Rate
- DVA Disability Compensation Payment - Extreme Disablement Adjustment.

11.1 Where a non-assessable DVA disability payment / pension is received either as the sole source of income or in combination with a Centrelink pension, the full Centrelink benefit rate (Age or Disability Support Pension - single or partnered rate as appropriate) is assessed for the rent calculation. The DVA disability payment / pension is not assessed.

11.2. The full (not partial) Centrelink benefit rate including the Energy Supplement and Pension Supplement is used for the rent calculation.

Households with an Eligible Co-resident Carer

12. An eligible co-resident carer with an assessable income that exceeds the full rate of the Centrelink Carer Payment, will instead be treated as only receiving the full rate of the Centrelink Carer Payment (including the Pension Supplement and Energy Supplement).

Tenants Housing Migrants with Assurances of Support or Persons Seeking Asylum

13. A Migrant with an Assurance of Support or a person seeking asylum in Australia who is housed by a tenant is not regarded as being in receipt of a statutory income and rent will be calculated using the total assessable gross income of all other household members.

GUIDELINES

- 11.3. A partner of a non-assessable DVA disability compensation payment / pension recipient who receives a reduced Centrelink pension as their sole source of income will have the full partnered rate of Centrelink pension used for the rent calculation.
- 11.4 All other assessable incomes including those paid by Centrelink or DVA are included in the rent calculation.
- 12.1 An eligible co-resident carer will have their income calculated for rent purposes based on the lesser of;
- 25% of their total assessable income, or;
 - 25% of the full rate of the Centrelink Carer's Payment (including the Pension Supplement and Energy Supplement).
- 12.2 See the Housing for People with Disabilities policy regarding the eligibility of a co-resident carer.
- 13.1 Migrants with assurances of support or persons seeking asylum in Australia are not entitled to statutory benefit from Centrelink and are not to be confused with tenants who are eligible for Centrelink payments but do not apply for them.
- 13.2 Where the migrant or person seeking asylum in Australia is the partner of a single tenant who is in receipt of a Centrelink benefit, the Housing Authority will assess the tenant at the rate of income for couples, as determined by Centrelink.
- 13.3 Where a migrant with an Assurance of Support or a person seeking asylum in Australia is housed by a tenant, transfer to alternate accommodation in order to accommodate the increase in family size is not available.

Centenarians

14. Tenants and household members reaching 100 years of age will have their income excluded from the rent calculation from the date of their 100th birthday.
- 14.1 The requirement for the tenant to advise the Housing Authority of any changes to the income or details of household members will remain. Rent will be calculated using the total assessable gross income of all household members excluding the centenarian (100 year old person).

Changes to Household Members and/or Household Income

15. Tenants are required to advise the Housing Authority immediately if there is any change to the household composition and/or household income of \$10 per week or more by submitting a completed Rent Assessment form.
- 15.1 Completed Rent Assessment forms submitted by tenants will be processed immediately by the Housing Authority.
- 15.2 Any rent increase will be effective from the date that the household income changed.
16. Tenants who do not submit a completed Rent Assessment form when required will be charged market rent.
- 16.1 Tenants submitting a completed Rent Assessment form after the due date will have the rent subsidy, if applicable, reinstated effective from the date that the Rent Assessment form was received by the Housing Authority.

Backdating of Rent

17. Rent charges will be backdated where the tenant's weekly household income increased by \$10 per week or more and the tenant did not advise the Housing Authority by submitting a completed Rent Assessment form.
- 17.1 Rent charges will be backdated to the date that the weekly household income increased by \$10 or more.
- 17.2 Backdating rent charges for a period greater than 3 months must be authorised by a Housing Authority Manager.
- 17.3 Regional Management will consider the individual circumstances of the tenant and may exercise discretion on compassionate or medical grounds.
18. The Housing Authority is not liable to repay an overpayment of rent if the tenant does not immediately advise the Housing Authority of a decrease in household income by submitting a completed Rent Assessment form.

INDIVIDUAL

PROPERTY

MARKET RENTS

POLICY

INDIVIDUAL PROPERTY MARKET RENTS POLICY

The Housing Authority assesses rental payments by two separate processes. A Rent to Income assessment is based on the tenant's income and not the market features of the property occupied (See Rent to Income Policy).

An Individual Property Market Rent is charged where a tenant is not eligible to have the rent calculated in reference to income and the rent is based on the market features of a property. Under an Individual Property Market Rent, the market features of a property are assessed by data supplied by the Landgate and reviewed annually.

The Landgate bases the market value of a property, on four property attributes and the location. These are:

1. Dwelling type: Whether the property is a single detached house, a medium density/grouped housing complex or a flat/apartment
2. The number of bedrooms contained in the property
3. Construction Material – Whether the property is brick/masonry or frame construction.
4. The age of the dwelling
5. The locational index. This is based on factors such as the suburb in which the property is located. It is further categorised by region in which the property is located – metropolitan/country, northwest (including Kalgoorlie/Boulder).

If you wish to know the market rent placed on an individual property, contact the Housing Authority's regional or branch office responsible for the management of the accommodation.

DEBT RECOVERY

POLICY

DEBT RECOVERY POLICY

PREAMBLE

The Housing Authority pursues debts in accordance with the *Residential Tenancies Act 1987*. Any monies owing to the Housing Authority result in less funds available to assist needy people waiting for housing assistance. The Housing Authority always prefers to come to an arrangement to repay a debt, rather than take legal action to pursue the matter through the courts.

POLICY

GUIDELINES

Applicants with A Debt to the Housing Authority

1. See Eligibility Policy.

Account Finalisation

2. All accounts will be finalised within 90 days of vacation of the property.

- 2.1 Accounts will have details of the work done and the job order number.
- 2.2 A letter will accompany the account explaining the appeal process and where to get assistance and information.

Tenants In Occupation

3. Tenants with a debt to the Housing Authority, either current or relating to a previous tenancy or Bond Assistance Loan, will have no maintenance undertaken above what is required under section 42 of the *Residential Tenancies Act 1987*, unless alternative arrangements to repay the debt have been made and are being maintained.

Debts Related to Current Tenancy

4. Debts related to the current tenancy of the debtor will be pursued according to the requirements of the *Residential Tenancies Act 1987*.

- 4.1 Example: Rental arrears, tenant liability, water consumption debts; incurred during current tenancy.
- 4.2 Tenant must enter into an agreement to repay the debt and maintain payments until the debt is cleared.
- 4.3 Failure to enter into an agreement to repay and maintain payments until the debt is cleared will result in a termination of tenancy under Section 62 of the *Residential Tenancies Act 1987*.
- 4.4 See also s5 to s5.1 for reasonable repayment agreements.

DEBT RECOVERY POLICY

POLICY

GUIDELINES

Debts Relating to a Previous Tenancy

5. An arrangement to repay a debt from a previous tenancy is a private arrangement between the Housing Authority and the tenant/applicant debtor and cannot be reflected in the Tenancy Agreement. The client should provide evidence where part of the debt relates to bankruptcy and payments will not be sought.

- 5.1 The agreement is reflected in the agreement to repay only.
- 5.2 Section 62 of the Residential Tenancies Act 1987 cannot be used to terminate debts from a previous tenancy (See s4 to s4.4).
- 5.3 Action can be taken under Section 15 of the Residential Tenancies Act for the tenant to repay the debt. The application under Section 15 would be lodged for the previous tenancy and not the current tenancy.

Debt Relating to a Previous Tenancy at the Same Address

6. Where a court order has been granted to terminate a tenancy the Housing Authority may, in extenuating circumstances, approve continued occupation under a new tenancy. Any debt for the terminated tenancy must be treated as vacated debt.

- 6.1 The tenant is to agree to and maintain a repayment arrangement for the Vacated Debt.
- 6.2 The Debt Discount Scheme will not apply where a new tenancy agreement has been granted and the tenant continues to occupy the same property

Statute-Barred Debt

- 7 Under the *Limitation Act 2005 (WA)* the period for a tenancy debt is 6 years. Expiration of the period does not expunge the debt as if it never existed but once this period has elapsed, the debt becomes "statute-barred" and legal recovery is not permitted.

Under the *Bankruptcy Act 1996 (Cth)*, when a client declares bankruptcy, the debt becomes "statute-barred", subsequent discharge of the bankruptcy relieves the customer of the legal liability to repay the debt, but it does not expunge the debt as if it had never existed.

Repayment of statute-barred debts will not be pursued by the Housing Authority and will not preclude further assistance being offered by the Housing Authority

- 7.1 Repayment of statute-barred debts cannot be actively pursued.
- 7.2 Statute-barred debts can be reactivated if a client makes a payment or provides the Housing Authority with written acknowledgement that the debt exists. The debt then becomes Written Off Recoverable and standard recovery procedures resume.

DEBT RECOVERY POLICY

POLICY

GUIDELINES

Arrears Repayment for Tenants In Occupation

8. The Housing Authority will act promptly to ensure that arrangements to repay a debt are made with a tenant in occupation, to prevent the accumulation of a large debt.

8.1 For all debts, the Housing Authority should seek an arrangement so that the combined total of the tenant's arrears and current rent does not exceed 30% of their total assessable household income. Tenants may choose to pay more than 30% of income for the repayment of debt.

Example:

Where the agreed payments are not maintained, contact should be made with the tenant to ascertain why payments have ceased. Discretion should be exercised where there has been a loss of income, for instance due to Centrelink payment cancellation, loss of employment, or a cancellation of maintenance payments. The termination process should recommence once a final warning has been sent to the tenant and continue in the absence of a satisfactory response from the tenant.

Default on an Agreement to Repay a Debt

9. Any tenant failing to maintain an agreement to repay a debt will be advised of default by letter and given 7 days with which to comply. Failure to comply will result in legal action commencing.

Joint Liability of Tenants

10. Tenants' signatory to the Tenancy Agreement is jointly liable for any debt.

10.1 Tenants who jointly sign the Tenancy Agreement are jointly liable for any debt from the tenancy. This means that a debt is split evenly between all parties signatory to the agreement.

Minimal Maintenance

11. See Tenancy Management Policy.

SCHEME POLICY

DEBT DISCOUNT SCHEME POLICY

PREAMBLE

(Not available to customers wanting to secure another Bond Assistance Loan or tenants with a debt in their current tenancy).
- 1.1 This is not available to tenants with a debt in their current tenancy. (see s15).
 - 1.2 A debt is an old debt when it is not related to a current tenancy.
 - 2.1 Example:

 - 1.5 Designated seniors' accommodation refers to accommodation specifically designated for seniors:
 - Aged persons units
 - Bed sitting units
 - Flats

3. Tenants may apply to install internal heating devices at their own cost.

- 3.1 Such tenants may apply for reimbursement when the property is upgraded, or when the tenant reaches turn for assistance on the waiting list for a heating appliance.

- 3.2 The Housing Authority will only reimburse to the value of, including installation costs; the type of appliance that would have been installed had the tenant waited until the Housing Authority had undertaken the installation. If a tenant installs a heating appliance to a lesser value than that which the Housing Authority would have installed, reimbursement will only be to the value of the installed appliance.

Applications to House Extended Family Groups

1. Applicants who wish to be housed as an extended family group may make application as an extended family group or as separate application units to be housed within the same zone.
 - 1.1 Upon application applicants must be given information as to the relative waiting times for 4 bedroom (plus) stock and that they may make individual applications for accommodation within the same zone or country town.
 - 1.2 Advice must also be given that it is not always possible to synchronise an allocation of this type, given that different accommodation types/bedroom numbers have different waiting times.

The criteria will include:

HOUSING FOR

PEOPLE WITH

DISABILITIES

POLICY

HOUSING FOR PEOPLE WITH DISABILITIES POLICY

PREAMBLE

For assessment under this policy, a disability is defined as being:

- a) *attributable to an intellectual, psychiatric, cognitive, neurological, sensory or physical impairment or combination of those impairments; and*
- b) *is permanent or likely to be permanent; and*
- c) *may or may not be of a chronic or episodic nature; and*
- d) *results in*
 - (i) *a substantially reduced capacity of the person for communication, social interaction, learning or mobility; and*
 - (ii) *a need for continuing support services.*

The principles underlying the Housing Authority's policy for housing people with disabilities include:

- people with disabilities have ready access to a range of low cost housing options
- people with disabilities have access to appropriately designed and located housing which meets the individual's needs
- the needs of people with disabilities should be understood and acknowledged by all Housing Authority staff.

This policy acknowledges there are a number of constraints faced by people with disabilities in accessing housing including:

- lack of accessible housing
- the cost of modifications
- additional costs of living expenses e.g. transport, delivery of goods etc.
- the need for support services.

Housing Options for People with Disabilities

The Housing Authority offers a number of housing programs, including mainstream rental housing, along with a number of community housing programs that are managed by the Housing Programs Directorate of the Housing Authority.

Some of these options are specifically for people with disabilities, such as the Community Disability Housing Program (CDHP) and the Access Home Loan scheme. **Note:** the CDHP is managed by the Housing Transitions Team.

Applicants need to have legal capacity or a substitute arrangement and have an understanding of the responsibilities and obligations when signing a tenancy agreement.

More information about all these programs is available on the Housing Authority's website www.dohw.wa.gov.au or contact your nearest Housing Authority region or branch office.

HOUSING FOR PEOPLE WITH DISABILITIES POLICY

1. Mainstream Public Rental Housing

To be assisted under this program, applicants must meet:

- Housing Authority eligibility criteria; and
- Have a current application listed on the Housing Authority's waiting list either on a wait turn or priority basis.

The Housing Authority will consider a client's housing need and requirements based on the information that is provided.

2. Community Disability Housing Program

People with support needs due to disability and/or mental illness often face major barriers that prevent them from obtaining rental housing within the community.

This program represents an additional resource that's aim is to further support people who are assessed as having a significant and complex disability or mental illness, who require ongoing support to live as independently as possible within the community. Whilst providing an alternative to unsuitable housing arrangements, such as institutional care or care by elderly parents unable to cope, or no housing arrangements (i.e. homeless).

The Housing Authority provides the housing, which includes single independent units, shared group-homes, cluster units and other contemporary housing models. Other agencies such as The National Disability Insurance Agency (NDIA), The Mental Health Commission (MHC) and The Insurance Commission of Western Australia (ICWA) fund the support services or contract with non-government organisations to deliver the services. Eligibility criteria applies (Refer to the Eligibility Policy).

The housing is mainly provided to a non-government organisation or regional housing association who provide property and tenancy management services. This arrangement is secured under a head lease agreement between the organisation and the Housing Programs Directorate.

This program is managed by the Housing Transitions Team and is available Statewide. More information is available on the Housing Authority's website www.dohw.wa.gov.au

HOUSING FOR PEOPLE WITH DISABILITIES POLICY

Other borrowing criteria must be satisfied, and applicants will need to have sufficient financial resources and sufficient income to repay a home loan.

- 2 bedroom : 1.60
- 3 bedroom : 2.10
- 4 bedroom : 2.60

From these values an individual occupant's share of the total account will be calculated on a simple ratio basis.

Example:

Total bill for complex – \$200

The complex is comprised of four units:

bedsitter unit

1 bedroom unit

2 bedroom unit and

1 bedroom : \$39.64

2 bedroom : \$57.66

3 bedroom : \$75.67

FRAUD

MANAGEMENT

POLICY

FRAUD MANAGEMENT POLICY

PREAMBLE

The Housing Authority has specific eligibility criteria in order that applicants may qualify for public rental housing and Bond Assistance Loan. The Housing Authority has a statutory obligation to ensure that recipients are eligible for assistance and remain eligible. Some criteria are set by the Federal Government, and some are set by the Housing Authority. Both criteria may change from time to time.

To be eligible for all types of assistance an applicant must be eligible according to criteria relating to income, assets and property ownership, age, citizenship, residency status and be able to prove their identity to the Housing Authority's satisfaction.

Should the Housing Authority discover that an applicant or tenant has deliberately misled the Housing Authority as to their eligibility for assistance, the Housing Authority will take action.

One of the Housing Authority eligibility criteria is that applicants and tenants must not own property or land. This is due to the fact that it is considered that any person who owns property or land should use this asset to house themselves and not utilise a unit of public housing or loan funds. However, the most common instance of fraud that occurs for the Housing Authority is the discovery that an applicant or tenant is the owner of property or land.

The Housing Authority views this deception seriously and any tenant or applicant for public rental housing who gives false information as to property ownership or who acquires property after their application or tenancy will have their tenancy or application reviewed and the appropriate action taken. However, it must be noted that some applicants and tenants are given permission by the Housing Authority to retain property or land for a short period in extenuating circumstances, in order to have time to sell.

The Housing Authority will undertake a check through Landgate the State's Authority data base of any applicant or tenant of whom suspicions exist as to the ownership of property. As well, the Housing Authority will undertake 'spot' audits of a sample group of applicants and tenants through the Landgate data base, on a quarterly basis.

In all instances of fraud the Housing Authority reserves the right to take civil or criminal action.

See also Tenant Eligibility Policy.

3. After an allocation has been made, the Housing Authority will consider any false or misleading information provided during the application and allocation process, as a breach of tenancy.

Rent Assessment

4. On allocation, applicants must complete the rent assessment form truthfully and to the best of their knowledge and supply the relevant documentation provided by the Housing Authority. The Housing Authority will consider any false or misleading information provided as a breach of tenancy.

REFURBISHMENT

PROPERTIES

POLICY

REFURBISHMENT OF OCCUPIED PROPERTIES POLICY

(INCLUDING RE-DEVELOPMENT AND REFURBISHMENT PROGRAMS)

PREAMBLE

The aim of the Re-Development and Refurbishment Programs is to develop older public housing estates to create a more attractive living environment.

Where refurbishment programs are progressing as per the agreed plan and tenants do not wish to move from their property (and the policy is that they do not have to) then they will have their property upgraded to a similar level to all other properties being refurbished, i.e. it should include improvements to lift the amenity level of the property.

This strategy is to reward tenants, who meet their tenancy obligations. Where tenants have not looked after their property within these developments, they should be managed in accordance with the Tenant Management Policy. However, if considered necessary, some upgrading can be done to encourage tenants to bring their property up to a satisfactory standard.

The Project Manager is to work around the tenant, if possible, and with the tenant, negotiate the amount of work, timeframes and alternatives. The preferred option may be to temporarily transfer the tenant and their belongings whilst work is being carried out.

ALTERNATIVE OPTIONS

- Move to alternative refurbished property, with the option to return to their property when refurbishment is completed, if they so desire.
- Provision of portable facilities on site.
- Provision of sewerage facilities on site.
- Free rent period (regional discretion) if the tenant remains in occupation
