## Pre-Licence Test

- Applicants for Security, Crowd Control or Inquiry Agent licences must demonstrate their knowledge and understanding of the obligations placed on them by the *Security and Related Activities (Control) Act 1996* and the *Security and Related Activities (Control) Regulations 1997* by successfully completing a pre-licence test based upon the Act and Regulations.
- This pre-licence test covers all aspects of the Agent's responsibilities under the Act, including records maintenance, licence conditions and required reporting. This is an open book test and a score of 90% is required to pass. Please note: we do NOT provide copies of the Act or Regulations for use during the test.
- Copies of the *Security and Related Activities (Control) Act 1996* and the *Security and Related Activities (Control) Regulations 1997* can be obtained from the State Law Publishers, at [www.legislation.wa.gov.au](http://www.legislation.wa.gov.au)

### **You must complete the pre-licence test before you can submit your licence application**

The pre-licence test is completed at Licensing Services in Cannington OR your nearest police station if you live more than 50km from the Perth GPO.

## WA Security Industry Code of Conduct

This Code of Conduct is formulated under the provisions of Section 94 of the *Security and Related Activities (Control) Act 1996* and complies with Regulation 54A of the *Security and Related Activities (Control) Regulations 1997*.

The Code outlines the responsibilities for ALL licensees carrying out tasks relating to the provision of supplying, consultation, installation and management of security services in Western Australia. This Code of Conduct will:

- Promote consumer and community confidence;
- Improve the safety of the community and employees;
- Promote ethical and professional conduct;
- Ensure that operators comply with applicable Federal and Western Australian legislation, in particular the *Security and Related Activities (Control) Act 1996* and the *Security and Related Activities (Control) Regulations 1997*.

## Professional Code of Conduct

### Minimum Standards of the Professional Code of Conduct

Persons engaged in the provision of security or related services as detailed above shall:

- **Conduct their professional activities with respect to and promotion of the public interest;**
- **At all times act with integrity in their dealings with the regulatory authority, clients, suppliers, employees, fellow licence holders and the general public;**
- **Not intentionally disseminate false or misleading information, whether written, spoken or implied, nor conceal any relevant fact;**
- **Maintain truth, accuracy and good taste in advertising and sales promotion;**
- **Not represent conflicting or competing interests without the express consent of those concerned and only after full disclosure of all relevant facts to all interested parties;**
- **Refrain from knowingly associating with any organisation or industry participants who use unethical, improper or illegal methods for obtaining business;**
- **Not intentionally injure the professional reputation or practice of another person;**
- **In the event that evidence is obtained relating to another licensed person being guilty of unethical practices or non compliance with the requirements of the Act or Regulations, inform either the Regulator and/or Security Industry Association of which they are a member.**

## Declaration

I undertake to contribute to the body of knowledge for improvement of the profession by exchanging information and experience with industry participants.

I acknowledge, any breach of this Code may result in disciplinary action in accordance with section 67(1a) (d) of the *Security and Related Activities (Control) Act 1996*.
