Qualifications

To be eligible for a motor vehicle dealer's licence, at least one director or partner must have sufficient knowledge of the Act. To satisfy this requirement you must provide evidence that at least one director or partner has completed and passed the **Dealer/Yard Manager's Licence Requirements Course**. The list of [course providers](#) is available on our website under the heading 'Qualification requirements'. Alternatively:

- if a director/partner is currently licensed as a motor vehicle yard manager, or has held a yard manager's licence within the last five (5) years, they are required to provide a copy of their licence certificate; or
- if a director/partner was the qualifying director/partner (the person that had knowledge of the Act to enable the dealer's licence to be issued) of a licensed dealership within the last five (5) years, they are required to provide a copy of that licence certificate.

If a director or partner (apart from the qualifying person) has not undertaken the required course, a condition will be imposed restricting that person from engaging in the buying or selling of vehicles without the prior approval of the Commissioner.

Category of licence

Please tick each category for which you are applying:

- Category A:** Buying, selling and auctioning vehicles
-
- Category B:** Buying any vehicles for the purpose of dismantling them and selling off the parts
-
- Category C:** Acting as an agent to facilitate the sale or purchase of any vehicles on behalf of members of the public
-
- Category D:** Hiring out vehicles, buying vehicles for hiring out, and selling and auctioning any vehicles that have been hired out by the dealer
-
- Category E:** Selling (including by auction) vehicles under consignment agreements

What is Consignment Selling?

Selling vehicles on consignment means selling a vehicle (including by auction) for a person who is not a dealer or trade owner. If you select Category E, you will be required to inform the Commissioner of the details of your trust account as well as the name of your registered auditor, and you agree to be audited by Consumer Protection at any reasonable time. The required forms will be sent to you to complete if your licence is issued with Category E. Additional information about [Consignment Trust Accounts](#) as well as auditing and reporting obligations can be found on our website.

Wholesale dealing?

Are you applying for a licence restricted to 'Wholesale Only'? YES NO

'Wholesale dealing' means selling vehicles only to persons or entities that are motor vehicle dealers or motor vehicle trade owners, but may include the acquisition of vehicles from any source. The Commissioner will impose additional conditions on a licence where the business intends to wholesale motor vehicles and operates from a home-office.
