Dealer Categories

Amendments made to the Motor Vehicle Dealers (Licensng) Regulations 1974 in 2023 resulted in the creation of a new category of licence – Category E: Selling (including by auction) vehicles under consignment agreements.

For dealers already authorised to sell on consignment, Category E will now be listed on your Certificate of Authorised Premsies (CAP). For dealers not authorised to sell on consignment, there will no longer be a condition prohibiting consignment selling. However, the removal of the condition **does not** mean that you are now authorised to sell on consignment – you must not sell on consignment unless you have Category E endorsed on your CAP.

Information about how to apply for Category E is available be found on our website.
