METROPOLITAN CEMETERIES BOARD

PRODUCT CATALOGUE

2026-2027

The **Metropolitan Cemeteries Board** recognises how important it is to honour the memory of your loved ones during such a difficult time. That's why we strive to provide a calm and supportive experience as you choose their final resting place.

We understand that cremation is a deeply personal decision, and we're here to offer the support and guidance you need throughout the process. With a wide selection of urns available, we aim to help you find an option that reflects your preferences in both style and budget whether you choose to keep or scatter the ashes.

If you have an appointment scheduled for ashes collection, we encourage you to review this publication and contact the cemetery in advance. This allows us to do our best to have your preferred urn available to view during your visit.

For further information, please contact our **Client Services team** at:

1300 793 109

mcb@mcb.wa.gov.au.

The fees quoted in this catalogue include GST, effective from 1 July 2026 until June 2027.
Considerable care has been taken during the preparation of this catalogue to photograph as accurately as possible.

SCATTERING TUBE

The scattering tube is a temporary option that can be provided if it is kept away from direct sunlight or damp/wet areas. To use, please remove the lid and push in the perforated circle.

Included in all Scattering Tube products is a GEO- CODE that can be used to tag the locations of the final resting place, and create a unique Memorial, on the online: Memorial Map.
