The state of emergency applies to the State of Western Australia.

On 5 April 2020, the State Emergency Coordinator made the Quarantine (Closing the Border) Directions with effect from 11.59pm on 5 April 2020.

Paragraph 27(r) of the Quarantine (Closing the Border) Directions provides for the giving of an approval by the State Emergency Coordinator or a person authorised by the State Emergency Coordinator for the purpose, of any person or category of person as an exempt traveller for the purposes of those directions who complies with any terms or conditions to which that approval is subject (which may include a quarantine direction), whether on any other compassionate grounds or on any other ground whatsoever.

I, Paul Steel, Assistant Commissioner, being a person authorised by the State Emergency Coordinator for the purpose, now give the following approval and impose the following terms and conditions:

PREAMBLE

1. This approval and these terms and conditions are for the purposes of limiting the spread of COVID-19.

CITATION

2. This document may be referred to as the Exempt Traveller (International and Domestic Flight Crew) Approval and Conditions (No 2).

COMMENCEMENT

3. This exemption comes into effect at the time of signing.

REVOCATION

4. The Exempt Traveller (International and Domestic Flight Crew) Approval and Conditions made on 5 April 2020 are revoked.
TRANSITIONAL PROVISION

5. Despite paragraph 4, if a person was subject to any obligations under the Exempt Traveller (International and Domestic Flight Crew) Approval and Conditions immediately before this approval came into effect, the person must continue to comply with those obligations to the same extent that the person would have to comply with them if the Exempt Traveller (International and Domestic Flight Crew) Approval and Conditions had not been revoked.

APPROVAL

6. For the purposes of paragraph 27(r) of the Quarantine (Closing the Border) Directions, and subject to paragraphs 7 to 11 below, each of the following is approved as an exempt traveller:

   (a) an international flight crew member; and

   (b) a domestic flight crew member.

TERMS AND CONDITIONS

Social distancing and personal hygiene

7. If a person is an international flight crew member or a domestic flight crew member, while the person is in Western Australia the person must:

   (a) take all reasonable steps to maintain a distance of at least 1.5 metres from any other person;

   (b) practice good hygiene, including but not limited to washing their hands often with soap and water or using alcohol hand rub, particularly before and after eating and after attending the bathroom, and covering their cough or sneeze; and

   (c) take all reasonable steps to limit interactions with other crew members, members of hotel staff and any other person.

8. A person who is an international flight crew member must, in addition to complying with paragraph 7, wear a surgical mask, if available and practicable, when transiting through a terminal or any other crowded place.
Quarantine terms and conditions

9. Upon exiting the terminal, an international flight crew member who is not ordinarily resident in Western Australia or a domestic flight crew member who is not ordinarily resident in Western Australia must:

(a) travel directly to the crew hotel, in a vehicle provided by their employer;
(b) remain at the crew hotel for the duration of their layover; and

(c) not leave the suitable premises other than to return to the terminal for their outward-bound flight, or as otherwise provided in paragraph 11.

Note: for the avoidance of doubt, a person who is a domestic flight crew member and is ordinarily resident in Western Australia is not required to comply with the conditions in this paragraph and, in particular, does not need to go to a crew hotel or suitable premises.

Quarantine terms and conditions

11. A person who is required to comply with either paragraph 9 or 10 must:

(a) remain inside the crew hotel or suitable premises unless:

(i) the person is otherwise directed by an authorised officer; or
