Goldfields-Esperance Recovery Plan

The Goldfields-Esperance Recovery Plan is part of the next step in our COVID-19 journey. It’s part of WA’s $5.5 billion overarching State plan, focused on building infrastructure, economic, health and social outcomes.

The Goldfields-Esperance Recovery Plan will deliver a pipeline of jobs in sectors including construction, manufacturing, tourism and hospitality, renewable energy, education and training, agriculture, conservation and mining.

WA’s recovery is a joint effort, it’s about Government working with industry together. We managed the pandemic together as a community. Together, we will recover.

Investing in our Schools and Rebuilding our TAFE Sector

- $500,000 to Kalgoorlie-Boulder Community High School for a refurbishment of the Performing Arts area
- $10 million to Central Regional TAFE’s Kalgoorlie campus for a new Heavy Plant and Engineering Trades Workshop, to expand training for mechanic and engineering trades, tailored to support resource sector needs
- $25 million for free TAFE short courses to upskill thousands of West Australians, with a variety of free courses available at Central Regional TAFE’s Kalgoorlie campus
- $32 million to expand the Lower Fees, Local Skills program and significantly reduce TAFE fees across 39 high priority courses
- $4.8 million for the Apprenticeship and Traineeship Re-engagement Incentive that provides employers with a one-off payment of $6,000 for hiring an apprentice and $3,000 for hiring a trainee, whose training contract was terminated on, or after, March 1, 2020 due to the economic downturn

Driving Investment in Renewable Energy and New Technologies

- $4 million towards transforming up to 10 schools into smart Virtual Power Plants, including Kalgoorlie-Boulder Community High School
- $16.6 million towards the delivery of a new power station for Esperance
