

COVID-19 WA's controlled border*

Conditions of entry

You will need a G2G PASS to enter

Border checkpoints for all arrivals

Health screenings and temperature checks on arrival

Pre-test or test on arrival required for low to extreme risk only

Very low risk jurisdictions

Low risk jurisdictions

includes 14 days self-quarantine and COVID-19 testing

Medium risk jurisdictions

not permitted to enter WA without an exemption

High risk jurisdictions

not permitted to enter WA without an exemption and must meet strict vaccination and pre-testing requirements

Extreme risk jurisdictions

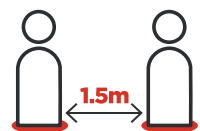

not permitted to enter WA and subject to tightened exemption restrictions, strict vaccination and pre-testing requirements and mandatory hotel quarantine

* **Controlled border is dependent on the latest health advice** | To keep Western Australians safe, the Chief Health Officer will continue to closely monitor community transmission in other jurisdictions and advise the WA Government if further changes to borders are required.

⚠ Breaching conditions of entry or providing false and or misleading information can result in fines of up to \$50,000 or imprisonment.

Western Australia's COVID-safe principles

Practise physical distancing where possible

Wash hands regularly

Stay home if unwell

Get tested if symptomatic
