DATA SOURCES
Cadastral and Tenure information is sourced from the Landgate Administrative Boundaries Database (SCDB). Administrative boundaries are sourced from the Landgate Administrative Boundaries Database. Pastoral Leases are sourced from the Landgate Pastoral Leases Database. Road names are sourced from Landgate Road Centreline Database. Mining Tenement data is sourced from DMP. Data requires contact with dmp@mp.wa.gov.au for more information. Coastlines and shorelines are interpreted from aerial photography or recorded from ground surveys. Agricultural contours are sourced from Landgate Agricultural Contours Database. Local Authorities terminate at Low Water Mean (LWM) unless otherwise specified. Pastoral Leases terminate at the boundary specified. Islands shown are Unallocated Crown Land (UCL) unless otherwise specified.

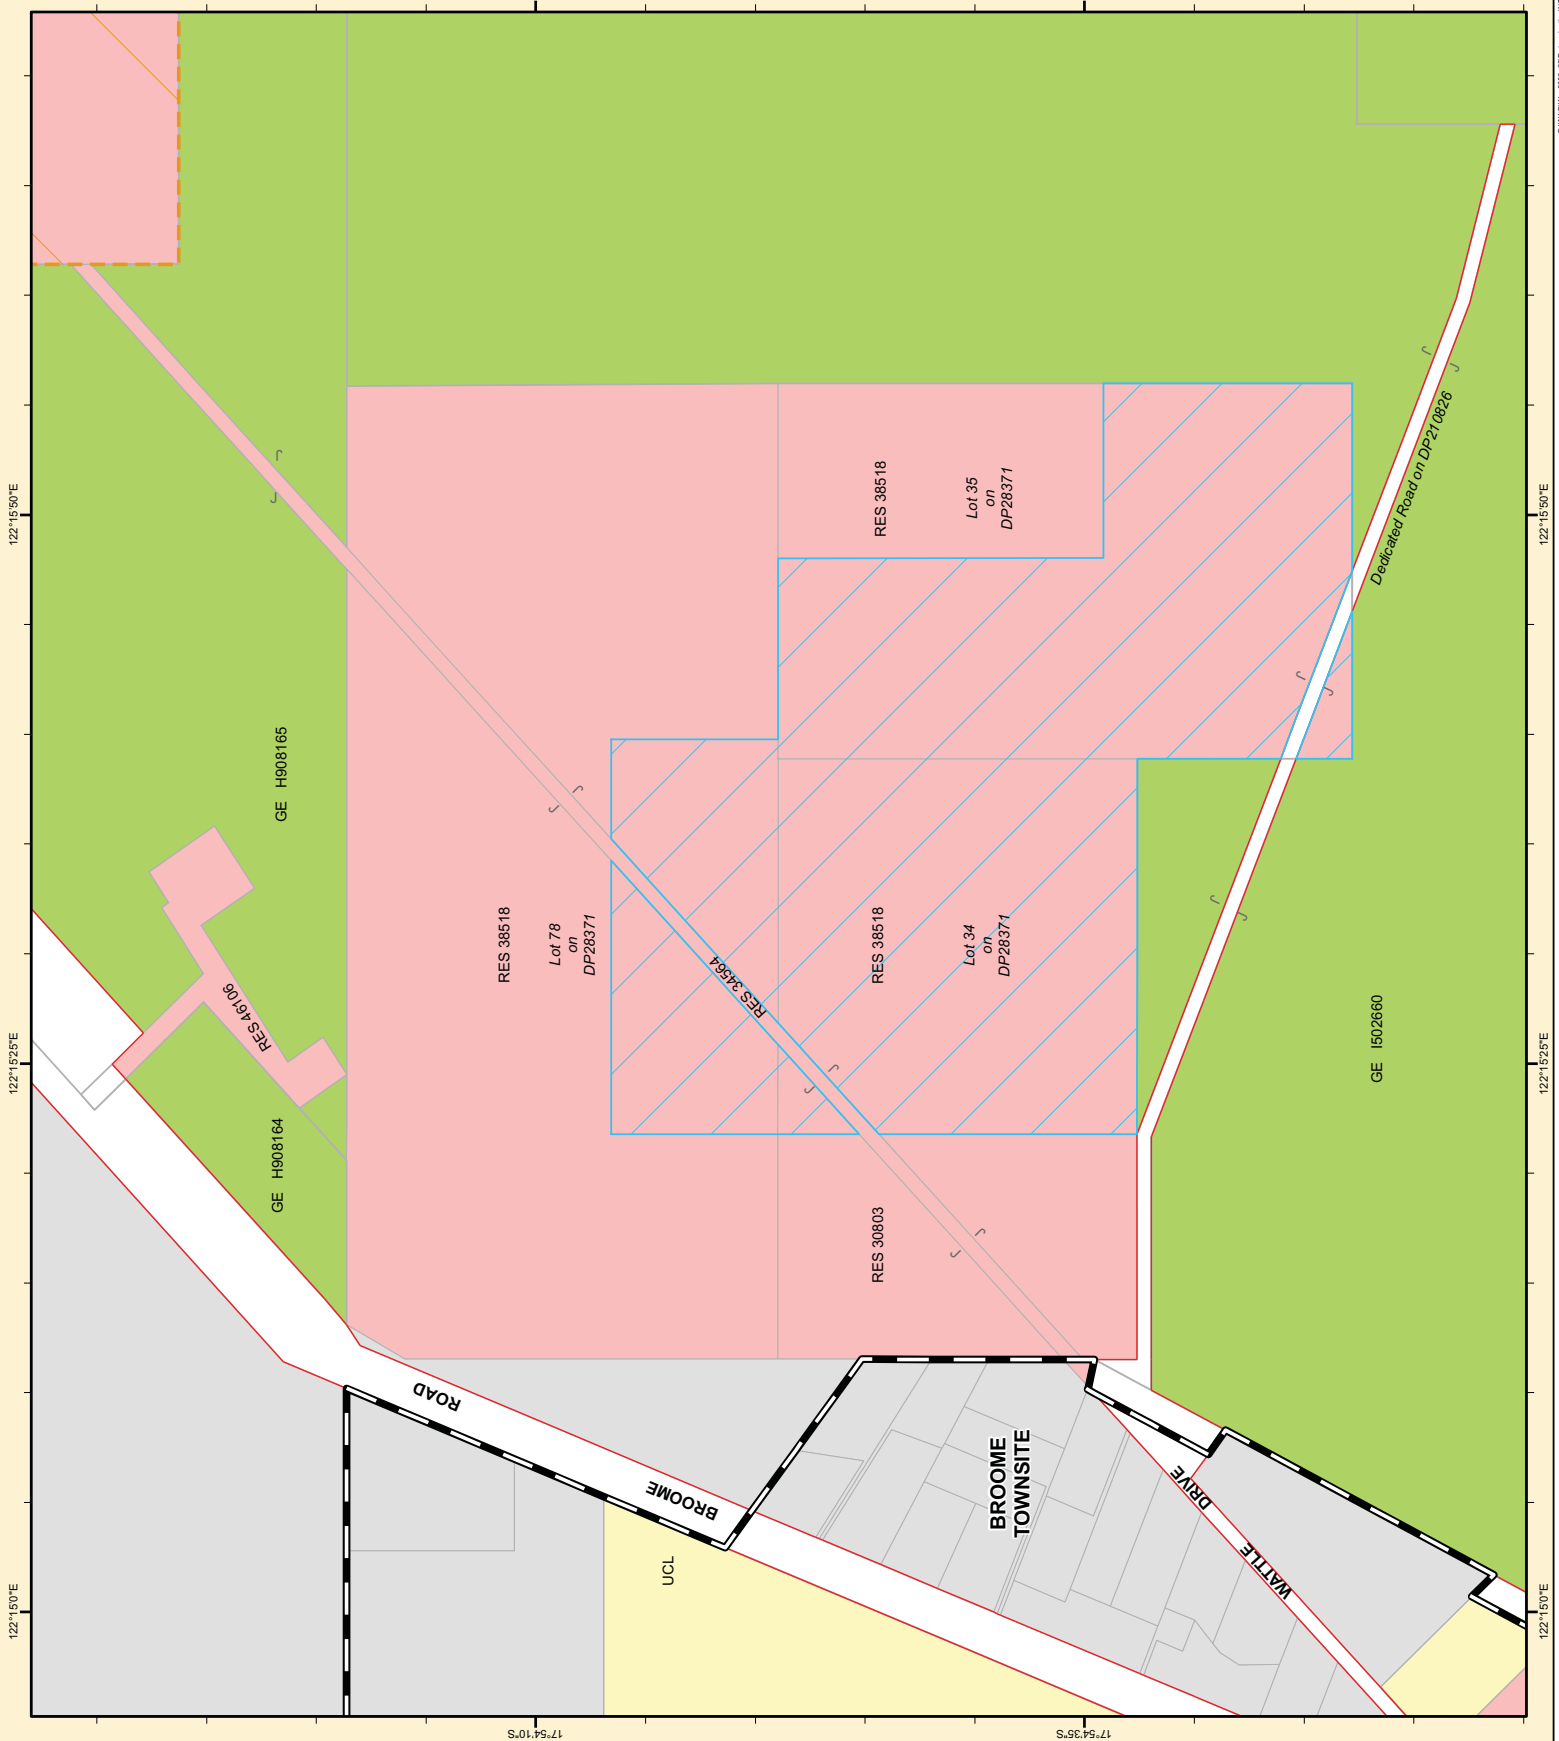

DISCLAIMER
For informational purposes only. This map is a pictorial representation of data extracted from Landgate Databases and does not constitute a legal document. Boundaries shown on this map do not necessarily depict an exact cadastral boundary. Native title application boundaries are shown as dashed lines. Reference should be made to the NNTT for confirmation of this boundary for any legal purposes. In the event of any discrepancy between the written application boundary description and the area depicted on this map the written description shall take preference as the maps and/or enlargements are indicative only.
