Dear Alex,

**RE: GENERATION LICENCE EXEMPTION FOR PHOENIX ENERGY PTY LTD**

Thank you for the opportunity to comment on the application for a generation licence exemption from Phoenix Energy Pty Ltd, (on behalf of the applicant Kwinana WTE Project Co Pty Ltd) for their proposed waste to energy generation plant in Kwinana.

Western Power does not oppose granting an exemption on the basis of Kwinana WTE Project Co Pty Ltd being compliant with both the Technical Rules and the *Wholesale Electricity Market Rules* (as per clause 3.1.7 of the Phoenix Energy submission).

Should you have any queries regarding Western Power's response, please do not hesitate to contact me on (08) 9326 4535.

Yours sincerely

Margaret Pyrchla
