

RULES FOR TRAVEL TO WESTERN DESERT COMMUNITIES

*Jigalong, Parnngurr, Punmu,
Kunawarritji & Kiwirrkurra*

- Only travel to communities when you have given advanced notice of your travel to the community (by email or phone to the community office) and to WDLAC (email: admin@wdlac.com.au)
- If you or colleagues are feeling unwell – **DO NOT GO** anywhere near a community.
- Visitors will need permission from the Community ahead of their arrival to go to a Community.
- When you get to the community you must follow the community's requirements - report direct to the Office and if there is no one in the Office go directly to the PAMS clinic and wait.
- You must follow the directions of the health care professional in the community. They may require you to:
 - (i) have a further health screen
 - (ii) have a COVID test
 - (iii) isolate to wait for results, and/or
 - (iv) leave the community
- Follow your organisation's health plan
- Use safe behaviours - reduce contact with community members and protect them from the spread of illness (i.e. hygiene and distancing strategies)
