

Government of **Western Australia**
Department of **Finance**

Jodi Cant

Director General
Department of Finance

Infrastructure Delivery Unit

- Department of Finance is the lead agency
- Provide consistent principles, standards and methods to agencies
- Whole-of-government oversight of government's infrastructure delivery program
- Help agencies delivery infrastructure projects and can direct or deliver capital works projects if required

Procurement Reform

- A major initiative supporting government expenditure
- Will deliver the *Procurement Act 2020*, including new procurement rules and framework
- Simplify procurement of goods, services and works, introducing consistent measures
- Provide value for money outcomes, reduce red tape, remove inconsistencies and increase public confidence
- Increase social and economic benefits, plus provide opportunities for trainees and apprentices, local suppliers and Aboriginal businesses

Pipeline of Work

- Departments of Finance and Treasury providing a four year Pipeline of Work detailing upcoming infrastructure projects
- Help businesses plan for government tenders
- Pipeline includes recovery projects over \$1.5 million and will evolve to include all government infrastructure projects
- **WA.gov.au/pipeline-of-work**
