

Response ID ANON-4EM2-EKS8-K

Submitted to **Native vegetation issues paper**

Submitted on **2020-01-22 16:06:39**

Your details

1 What is your name?

Name:

Sheila Murray

2 Can we publish your response?

Yes, you may publish my response in full

3 What is your email address? (optional)

Email:

4 What is your postcode? (optional)

Postcode:

■■■■

5 Do your views officially represent those of an organisation?

No, these are my personal views

If yes, please specify the name of your organisation.:

6 Which of the following best describes the group or person you represent?

Private citizen

If other, please specify.:

7 Which of the following best describes the sector you represent?

Not applicable (private citizen)

If other, please specify.:

8 Are there specific parts of your submission that you want to keep confidential?

If yes, please outline which specific parts of your submission must be kept confidential and explain why. :

A State native vegetation policy

9 Referring to the proposed policy objective statements below, how well do you support each one in guiding our development of a policy?

Objective 1 matrix - Objective 1:

Neutral

Please explain in the text box below.:

Objective 2 matrix - Objective 2:

Neutral

Please explain in the text box below.:

Objective 3 matrix - Objective 3:

Neutral

Please explain in the text box below.:

10 What opportunities are presented by the development of a State Native Vegetation Policy focused on how government manages vegetation?

Please provide your answer in the text box below.:

State policy should ensure that ALL National Parks have trained Aboriginal Rangers who are employed by the Government to protect and conserve the ecology and cultural values of our National Parks.

State policy should ensure that 4WD vehicles are prohibited from driving on the beaches in National Parks

Better information

11 How do you use native vegetation data within your sector? (Choose as many options as you require)

For baseline information for monitoring

If you have chosen 'other', please specify:

12 Which of the following elements of better information provision would be most relevant to your sector? (Choose as many options as you require)

Other

If you have chosen 'other', please specify:

Accessibility of the info to the public

13 What other opportunities are presented by improved information and improved access to information?

Please provide your answer in the text box below.:

Members of public could be motivated to better protect and conserve local areas

Better regulation

14 Which of the following elements of better regulation would be most important to your sector? (Please rank your top three)

Rank better reg elements - Improved protection for native vegetation:

Rank better reg elements - Ensuring development is sustainable:

1

Rank better reg elements - Streamlined regulation for cost saving:

Rank better reg elements - Clearer requirements for business certainty:

Rank better reg elements - Improved assessment timeframes:

Rank better reg elements - Transparent, evidence-based decisions:

3

Rank better reg elements - Improved compliance and enforcement of unauthorised clearing:

2

Rank better reg elements - Equitable treatment of all proponents:

Rank better reg elements - Confidence in the regulatory system for all stakeholders:

Rank better reg elements - Other:

If you selected Other, please provide further information.:

15 What other opportunities are presented by better regulation?

Please provide your answer in the text box below.:

Clearly withdrawing permission for 4WDs to go off tracks and on beaches in National Parks

A bioregional approach

16 Which of the following elements are the most important to you/your sector? (Please rank your top three)

Rank bioregional elements - 1. Transparent outcomes and objectives:

3

Rank bioregional elements - 2. Leveraging local knowledge:

1

Rank bioregional elements - 3. Strategic and innovative approach to conflicting interests:

Rank bioregional elements - 4. Clear targets and thresholds:

Rank bioregional elements - 5. Planned approach to dealing with cumulative impacts:

Rank bioregional elements - 6. Effective monitoring and evaluation framework:

Rank bioregional elements - 7. Supporting public-private partnerships for conservation:

2

Please explain in the text box below.:

17 What other opportunities are presented by a bioregional approach?

Please explain in the text box below.:

18 What concerns are presented by a bioregional approach, for your sector?

Please explain in the text box below.:

Other initiatives

19 What initiatives do you think would work best to improve native vegetation outcomes in your region?

Aboriginal land management

Please explain in the text box below.:

ALL National Parks (esp on South Coast eg Torndirrup, West Cape Howe, Porongurups, Mt Martin, 2 Peoples Bay, Stirlings etc) should have trained Aboriginal Rangers who are paid by the Government.

National Park signage could be greatly improved to showcase Aboriginal culture

20 What else could be done to improve the management of native vegetation to arrest the decline of native vegetation extent and condition?

Please provide your answer in the text box below.:

Withdraw permission for 4WDs to go off track in National Parks and withdraw permission for 4WDs to go on beaches in National Parks. This could be enforced by local rangers and signage
