

# COVID-19 Contact register

## Contact registers are mandatory

This business/venue/event uses SafeWA to record the details of all customers to help the WA Health Department with contact tracing if needed.

Using SafeWA is easy, safe and convenient.

1

**Download** SafeWA from the app stores.

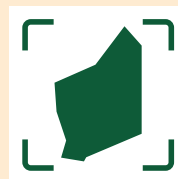

Available on the  
App Store

GET IT ON  
Google Play

2

**Set up your individual account**  
to make it convenient for next time.

3

Use the SafeWA app to **scan the QR code**  
**and check-in** at this business venue.

Alternatively, you can provide your contact information by filling in a paper form or speak to a staff member.

Your personal details will be securely stored and kept for 28 days.

The paper form is titled 'SafeWA' and includes the Department of Health logo. It contains the following text:

**Do your part to keep WA safe**

Name of business  
Address  
Location / sect?

Below the text is a large QR code. A hand holding a smartphone is shown scanning the QR code. The smartphone screen displays a smaller QR code labeled 'Sample'.

At the bottom of the form, it says: 'Use the SafeWA app to scan the QR code'. Below this, it states: 'Your contact details will only be stored for 28 days. WA Health for COVID-19 contact tracing. For support, call 13 COVID (133 2684)'. At the very bottom, there are logos for 'GET IT ON Google Play' and 'Available on the App Store'.
