## About us

myP3 offers extensive experience in Portfolio, Program, Project Management (P3), PMO practices and associated disciplines. We deliver Portfolio Management, Project and Program start-up and delivery services as well as augment your existing delivery and PMO teams with skilled resources. With our flexible offerings, methods and practices; We deliver 'Better Project Outcomes'.

We predicate this submission as Queensland-based company citing our ability to provide services anywhere in Australia based on our flexible models for on-site, virtual, or blended delivery across our three divisions:

### myPMO

Portfolio, Program and Project Management Office (P3O) services enabling customers to take control of their management and delivery practices through team augmentation, a fully scalable managed service or ad-hoc consulting engagements including Methods & Tools, Coaching and Guidance, P3M3 Maturity Modelling and Gateway Review / Health Checks.

### myProject

Outsourced project or program delivery as a fixed-price or consumption-based service means customers can reduce the need for ongoing in-house project delivery teams. Our scope can begin from helping to move ideas into investments through to delivery and closure. Or we can fix price stages such as the start-up Initiative Proposal stage (IPaaS) and Project Initiation stage (PIaaS). Our scope, across any or all program or project stages is fully negotiable.

### myPeople

Supplies Permanent & Temporary Placements of skilled individuals matching our customers' and myP3's operational or project-related management and specialist needs. We can also provide

Technical Skills Assessments of recruitment candidates or customers' existing staff to inform any competency gaps for improvement.

We have many decades of combined experience in actively delivering our capabilities across traditional and agile methods, pragmatic Project Portfolio Management (PPM) tools advisory and have experience with a wide range of organisations and industries.

myP3 has serviced across industry sectors in Local Councils, State and Federal Governments as well as private enterprise. Industry Experience across the team includes Industry Development, Manufacturing, Resources, Utilities, Education, Transport, Health, IT, Finance & Insurance, Tourism, Transport, Defence, Agriculture and Telecommunications.

## Industry partners or affiliations
