About us

We are a leading independent provider of ICT services, delivering innovative solutions surrounding Strategy Consulting, Professional Services, Design & Marketing, and Managed Services.

Novata Solutions' provide cutting edge, innovative, strategically developed technology solutions using low-code, and rapidly developing digital solutions.

We are market leaders in the application space, using our combined years of experience to delivery challenging digital solutions to businesses.

Skills, experience and services

Microsoft Gold Partner - this demonstrates that we achieve high-quality results when approaching your ICT problems. Our certification validates IT professional and developer technical expertise, whilst earning the highest standards of Microsoft's widely recognised partnership program.

Leading OutSystems partner in WA - allowing us to rapidly deliver business applications. Rather than developing your application with large quantities of custom code, low-code platforms utilise full-stack visual modelling and design, providing the ability to design, build, customise, deploy, and scale your application rapidly.
