Trial Overview

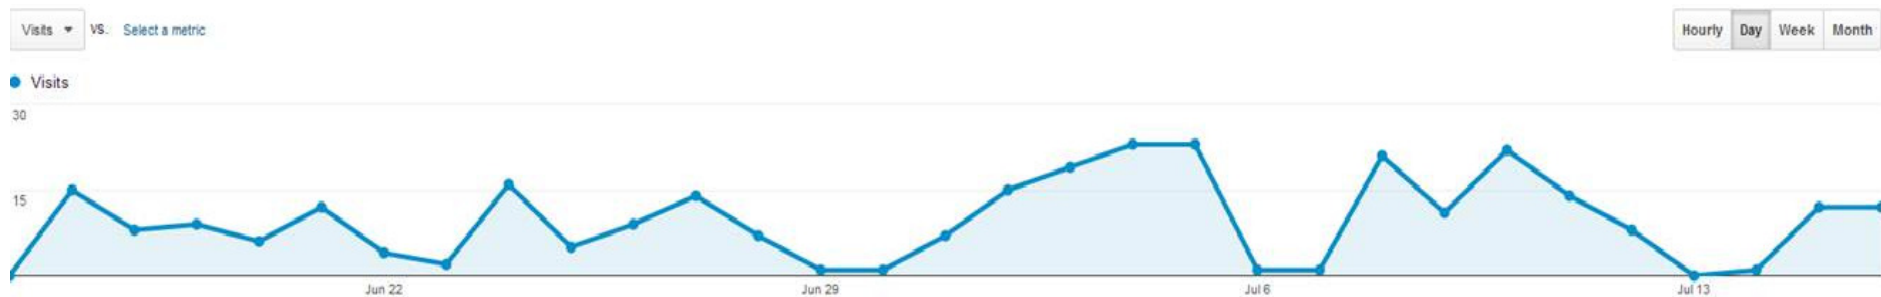

17 July 2013

Registration

- Registrations formally commenced on Monday 1 July 2013, following the commencement of the GSI Rules (on 29 June 2013)
- To date the IMO has formally registered:
 - 20 Registered Participants, including 13 Facility Operators and 13 Shippers
 - 33 Facilities (Pipelines, Storage, Production and Large User)
- The IMO has also formally exempted (from registration) 11 Facilities
- Further applications are currently being processed
- GSI Register will be updated on IMO website shortly

GBB Trial

- Participants were able to access a GBB Trial environment throughout June 2013
- Participant users (non IMO) in GBB Trial: 73
- Number of successful submissions made in past week (10th-17th July): 191 (189 of which were from the DBP)
- Number of error submissions made in past week: 38 (from three different participants)
- IMO has been recording visitor activity on the site since mid-June:

GBB Trial - Visitors

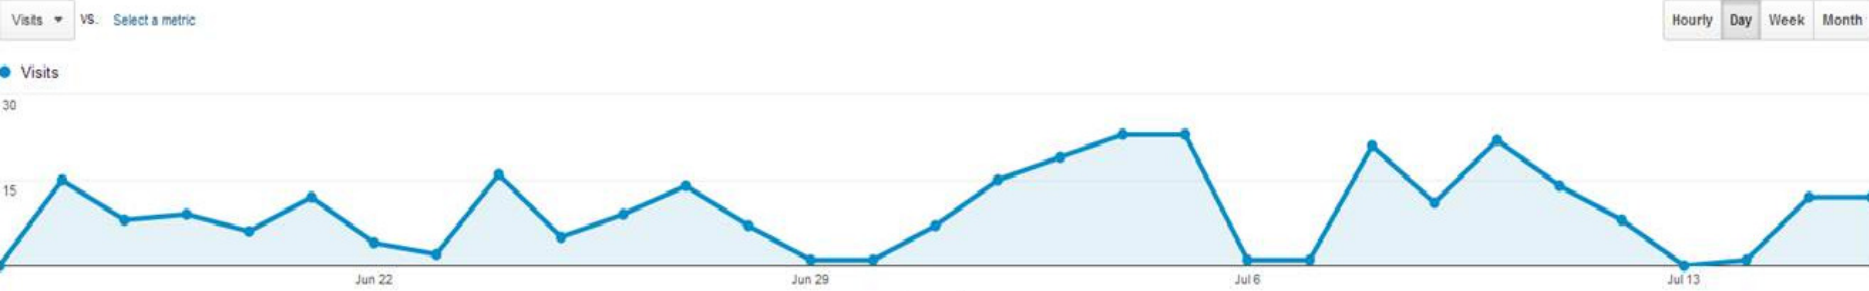

90 people visited this site

■ Returning Visitor ■ New Visitor
