Submission

1. Please provide your views on the proposal, including any objections or suggested revisions

LGP supports this Rule Change proposal.

2. Please provide an assessment, whether the change will better facilitate the achievement of the Market Objectives

LGP supports the ERA's contention that the more timely issue of the STEM Bids and Offers information would result in a more economically efficient pattern of electricity generation and consumption.

3. Please indicate if the proposed change will have any implications for your organisation, (for example changes to your IT or business systems) and any costs involved

LGP would incur no organisational costs as a consequence of adopting the change.

4. Please indicate the time required for your organisation to implement the change, should it be accepted as proposed

LGP would be able to implement this Rule Change immediately.

LGP supports acceptance of the Rule Change as proposed.
