**1. Please provide your views on the proposal, including any objections or suggested revisions**

LGP supports this Rule Change proposal.

---

---

**2. Please provide an assessment, whether the change will better facilitate the achievement of the Market Objectives**

LGP supports Premier Power's contention that the Market Rules should provide for the nomination of Non-Temperature Dependent Loads on a monthly basis rather than annually in order to better achieve the intent of the market objectives by promoting economic efficiency and minimising the long-term cost to customers on the SWIS.

---

---

**3. Please indicate if the proposed change will have any implications for your organisation, (for example changes to your IT or business systems) and any costs involved**

LGP would incur no organisational costs as a consequence of adopting the change.

---

---

---

---

**4. Please indicate the time required for your organisation to implement the change, should it be accepted as proposed**

LGP would be able to implement this Rule Change immediately.

LGP supports acceptance of the Rule Change as proposed.
