Submission

1. Please provide your views on the proposal, including any objections or suggested revisions

LGP supports the Rule Change proposal on the grounds that it corrects a manifest error whereby the IMO is required to perform an assessment before it obtains the necessary data for it.

2. Please provide an assessment, whether the change will better facilitate the achievement of the Market Objectives

LGP considers that by correcting a manifest error, the proposed changes enhances the integrity of the rules and is thereby consistent with all the objectives.

3. Please indicate if the proposed change will have any implications for your organisation, (for example changes to your IT or business systems) and any costs involved

LGP would incur no organisational costs as a consequence of adopting the change.

4. Please indicate the time required for your organisation to implement the change, should it be accepted as proposed

LGP would be able to implement this Rule Change immediately.
