**1. Please provide your views on the proposal, including any objections or suggested revisions.**

Verve Energy supports the Market Rule Change proposal to clarify System Management's reporting obligation by allowing the use of tolerance ranges. Verve Energy recognises the need for this change to effectively operate the system.

---

**2. Please provide an assessment whether the change will better facilitate the achievement of the Market Objectives.**

The proposed Market Rule Change will better facilitate the Market Objectives. It reduces the administration burden on System Management's reporting obligations by eliminating the requirement to report minor breaches.

- 
- 3. Please indicate if the proposed change will have any implications for your organisation (for example changes to your IT or business systems) and any costs involved in implementing these changes.**

No costs will be incurred.

- 
- 4. Please indicate the time required for your organisation to implement the change, should it be accepted as proposed.**

No time is required.
