Date submitted:	7 September 2012

Submission

1. Please provide your views on the proposal, including any objections or suggested revisions

Community Electricity supports the Rule Change Proposal on the grounds that it is necessary to remove a potential impairment of system security, and it also clarifies and improves the existing practice.

2. Please provide an assessment, whether the change will better facilitate the achievement of the Market Objectives

Community considers that the Rule Change improves achievement of Market Objectives (a) (to promote the economically efficient, safe and reliable production and supply of electricity and is consistent with the other objectives).

3. Please indicate if the proposed change will have any implications for your organisation, (for example changes to your IT or business systems) and any costs involved

Not applicable

4. Please indicate the time required for your organisation to implement the change, should it be accepted as proposed

Not applicable
