**AMENDED COMMENCEMENT NOTICE**

In June 2013 the IMO undertook an audit of previous rule changes. This audit identified that RC\_2012\_16: Alignment of Settlement Tolerances and Tolerance Ranges, which included proposed changes to Protected Provisions, was not submitted to the Minister for Energy for approval under clause 2.8.3 of the Market Rules when the Final Rule Change Report was published on 14 December 2012.

A request for approval of RC\_2012\_16 was submitted to the Minister on 24 July 2013. On 17 September 2013, the Minister advised the IMO of his approval of RC\_2012\_16.

Accordingly, this notice advises of the commencement of the Amending Rules in RC\_2012\_16.

**IMO AMENDING RULES RC\_2012\_16 MADE ON 17 September 2013**  
**These Amending Rules commence at 08.00am on 1 November 2013**

The Market Rules are amended as shown in section 6 of the Final Rule Change Report available at [www.imowa.com.au/rc\\_2012\\_16](http://www.imowa.com.au/rc_2012_16)
