Date submitted:　　　24 December 2013

Date of extension:　　11 December 2018

In accordance with clause 2.5.10 of the Market Rules, the Rule Change Panel has further extended the timeframe for the publication of the Draft Rule Change Report for the Rule Change Proposal titled "Outage Planning Phase 2 – Outage Process Refinements" (RC_2013_15) until **5:00 PM on Monday 1 April 2019**.

Dates for subsequent steps of the rule change process have been adjusted accordingly.

Reason for the Extension

Since the publication of this Rule Change Proposal by the IMO, the Market Rules have changed significantly. In addition, the Rule Change Panel has identified several issues that warrant additional consultation before the preparation of the Draft Rule Change Report.

The Rule Change Panel has therefore extended the timeframe for the publication of the Draft Rule Change Report until 1 April 2019 to:

- allow for a call for further submissions on the Rule Change Proposal and the identified issues; and

- allow the Rule Change Panel sufficient time to assess the Rule Change Proposal and submissions received and prepare the Draft Rule Change Report.
