Submission

1. Please provide your views on the proposal, including any objections or suggested revisions

Community Electricity supports the Rule Change Proposal on the grounds that it improves efficiency by removing the superfluous intermediate process without affecting the operation of the rules.

2. Please provide an assessment, whether the change will better facilitate the achievement of the Market Objectives

Community considers that the Rule Change improves the integrity of the Market Rules and is consistent with all the Market Objectives.

3. Please indicate if the proposed change will have any implications for your organisation, (for example changes to your IT or business systems) and any costs involved

The proposal has no implications for Community.

4. Please indicate the time required for your organisation to implement the change, should it be accepted as proposed
