Legislative Council**

**Hon. Malcolm McCusker AC CVO QC, Professor John Phillimore, Professor Sarah Murray  
and Associate Professor Martin Drum.**

**Dear Panel**

Since lodging my submission on 5th May 2021 I have made some alterations to the cited web page and I would like to refer your panel to the draft Bills about the structure I proposed, in particular **Alternative draft - 2**

The printed pages following are not the best way to read the material. [hard copy separate delivery]

The web page offers a better view.
