

## **PUBLIC HEALTH ACT 2016 (WA)**

**Sections 157(1)(e), 157(1)(k), 180 and 190(1)(p)**

### **PRIMARY HEALTH CARE WORKER (RESTRICTIONS ON ACCESS) DIRECTIONS (No 2)**

The World Health Organization declared COVID-19 a pandemic on 11 March 2020.

On 23 March 2020, the Minister for Health declared a public health state of emergency with effect from 1.30 pm on 23 March 2020 in respect of COVID-19 pursuant to section 167 of the *Public Health Act 2016* (WA) (Act). On 22 September 2021, the Minister for Health declared a further public health state of emergency with effect from 4.25 pm on 22 September 2021 in respect of COVID-19 pursuant to section 167 of the Act. The public health state of emergency applies to the State of Western Australia.

I, Dr Andrew Robertson, the Chief Health Officer, authorised as an emergency officer under section 4 of the Act to exercise any of the emergency powers while the public health state of emergency declaration in respect of COVID-19 is in force, consider it reasonably necessary to give the following directions to all persons in Western Australia to prevent, control or abate the serious public health risk presented by COVID-19 pursuant to sections 157(1)(e), 157(1)(k), 180 and 190(1)(p) of the Act.

#### **PREAMBLE**

1. The purpose of these directions is to put in place some measures to address the unique risks posed by COVID-19 in primary health care settings in order to limit the spread of COVID-19 in Western Australia and ensure primary health care facilities are available to help manage the current public health state of emergency.

#### **CITATION**

2. These directions may be referred to as the **Primary Health Care Worker (Restrictions on Access) Directions (No 2)**.

#### **COMMENCEMENT**

3. These directions come into effect upon signing.

## REVOCATION

4. The Primary Health Care Worker (Restrictions on Access) Directions are revoked.

## DIRECTIONS

### Access Restrictions Applying to Primary Health Care Worker

5. Subject to paragraphs 6 and 7:

- (a) on and from 12.01 am on 1 November 2021, a person who is a **primary health care worker** must not enter, or remain at a **primary health care facility**, if the primary health care worker has not been **partially vaccinated** against COVID-19; and
- (b) on and from 12.01 am on 1 December 2021, a person who is a primary health care worker must not enter, or remain at a primary health care facility, if the primary health care worker has not been **fully vaccinated** against COVID-19, unless the person is present at the primary health care facility solely in a capacity other than as a primary health care worker or is an **exempt person**.

### General Requirements

6. Where only part of **premises** are being used as a primary health care facility, nothing in these directions prevents a primary health care worker who is not vaccinated against COVID-19 from entering or remaining upon that part of the premises which is not being used as a primary health care facility.
7. Nothing in these directions prevents a person who is not vaccinated against COVID-19 from entering any part of a primary health care facility for the purposes of:
- (a) performing a statutory duty arising under a written law of the Commonwealth that cannot reasonably be performed other than by entering the primary health care facility; or
  - (b) performing any function or duty or exercising any right or power under a Fair Work entry permit issued by the Fair Work Commission under the *Fair Work Act 2009* (Cth) or a Work Health and Safety entry permit issued by the Fair Work Commission under the *Work Health and Safety Act 2011* (Cth) or a right of entry permit issued by the Registrar of the Department of the Registrar Western Australian Industrial Relations Commission under the *Industrial Relations Act 1979* (WA); or

- (c) responding to an emergency where the emergency response is required to be provided immediately and a fully vaccinated or partially vaccinated person is not available to provide the response; or
  - (d) providing emergency care to a **patient** in the primary health care facility where the emergency care is necessary to be provided immediately and a fully vaccinated or a partially vaccinated primary health care worker is not available to provide that emergency care; or
  - (e) in any circumstances approved in writing by the Chief Health Officer or a person authorised in writing by the Chief Health Officer for that purpose and subject to any conditions expressed in that approval.
8. A primary health care worker must provide evidence in the form approved by the **Chief Health Officer** of their **vaccination status** for inspection, recording and retention of a copy if:
- (a) **directed** to do so by an **emergency officer**; or
  - (b) required to do so by their employer or by the owner, occupier or person apparently in charge of a primary health care facility.
9. The employer, owner, occupier or person apparently in charge of a primary health care facility must:
- (a) take all reasonable and lawful steps to:
    - (i) collect and maintain a record of the **vaccination status** of each primary health care worker of the primary health care facility; and
    - (ii) only roster on, or otherwise permit to work in a primary health care facility, a primary health care worker who is vaccinated or is an exempt person in accordance with these directions;
    - (iii) if they are the owner, operator or person apparently in charge of a primary health care facility, only permit a primary health care worker who is vaccinated or is an exempt person in accordance with these directions to enter, or remain at, the primary health care facility, unless the person is present at the primary health care facility solely in a capacity other than as a primary health care worker; and
  - (b) on request, provide any record of the kind referred to in paragraph 9(a)(i) that the employer, owner, occupier or person apparently in charge of a primary

health care facility has collected and maintained to an **emergency officer** as soon as practicable after the request is made; and

- (c) not use or disclose any record of the kind referred to in paragraph 9(a)(i) except:
  - (i) as provided for in this paragraph 9; or
  - (ii) as permitted or required by law, including any law of the Commonwealth; or
  - (iii) for the purpose of ascertaining compliance with any employer direction restricting entry to a primary health care facility; or
  - (iv) to the extent that the person expressly provided the person's vaccination status for a purpose other these directions,
- and
- (d) take reasonable steps to protect any record it holds of the kind referred to in paragraph 9(a)(i) from:
  - (i) misuse and loss; and
  - (ii) unauthorised access, modification or disclosure.

- 10. A person who is required to provide evidence of their vaccination status under paragraph 8, or a record of the kind referred to in paragraph 9(a)(i) under paragraph 9(b), must only provide that evidence, or a record, that is true and accurate.
- 11. The forms of evidence approved in the *Chief Health Officer Approved Form Of Evidence of COVID-19 Vaccination Under Each Of The Restrictions On Access Directions Given Under The Public Health Act 2016 (WA) In Respect Of COVID-19*, as amended or replaced from time to time are approved for the purposes of paragraph 8 of this direction.
