

EMERGENCY MANAGEMENT ACT 2005 (WA)

Sections 67 and 72A

PRESENTATION FOR TESTING DIRECTIONS (No 39)

The World Health Organization declared COVID-19 a pandemic on 11 March 2020.

On 15 March 2020, the Minister for Emergency Services declared a state of emergency with effect from 12 am on 16 March 2020 in respect of the pandemic caused by COVID-19 pursuant to section 56 of the *Emergency Management Act 2005 (WA)* (**Act**). The state of emergency applies to the State of Western Australia.

I, Christopher John Dawson, Commissioner of Police and State Emergency Coordinator, now give the following directions pursuant to my powers under sections 67 and 72A of the Act.

PREAMBLE

1. The purpose of these directions is to prevent the importation of COVID-19 into Western Australia and to otherwise limit the spread of COVID-19 in Western Australia.

CITATION

2. These directions may be referred to as the **Presentation for Testing Directions (No 39)**.

COMMENCEMENT

3. These directions come into effect at 12.01am on 5 February 2022.

REVOCATION AND CONTINUING OBLIGATIONS

4. The Presentation for Testing Directions (No 38) (**revoked directions**) are revoked.
5. Despite paragraph 4, if a person **entered** Western Australia before the date and time specified in paragraph 3, the person must continue to comply with any requirement which still applied to them under the revoked directions immediately before they were revoked to the same extent that the person would if the revoked directions had not been revoked.

DIRECTIONS

*Note: these directions DO NOT require a person to be tested for COVID-19. A person must consent to be tested for COVID-19 unless they are **directed** to have the test by an **emergency officer** under the Public Health Act 2016 (WA). Unless otherwise stated, nothing in these directions affects any other obligations a person may be under.*

Persons Entering Western Australia

6. Unless otherwise directed by me or a person authorised by me for that purpose, which direction may add to, remove or modify the requirements of this paragraph, a person specified in Row 1, Column 3 of the table set out in Schedule 1 of these directions (if any) must comply with the **24 hour presentation requirement**.
7. Unless otherwise directed by me or a person authorised by me for that purpose, which direction may add to, remove or modify the requirements of this paragraph, a person specified in Row 2, Column 3 of the table set out in Schedule 1 of these directions (if any) must comply with the **48 hour presentation requirement**.
8. Unless otherwise directed by me or a person authorised by me for that purpose, which direction may add to, remove or modify the requirements of this paragraph, a person specified in Row 3, Column 3 of the table set out in Schedule 1 of these directions (if any) must comply with the **6th day presentation requirement**.
9. Unless otherwise directed by me or a person authorised by me for that purpose, which direction may add to, remove or modify the requirements of this paragraph, a person specified in Row 4, Column 3 of the table set out in Schedule 1 of these directions (if any) must comply with the **12th day presentation requirement**.
10. Unless otherwise directed by me or a person authorised by me for that purpose, which direction may add to, remove or modify the requirements of this paragraph, a person who is subject to the **children requirements** must ensure that a child in connection with whom the person is required to comply with the children requirements complies with these directions and, without limitation, must:
 - (a) travel with the child so that the child goes to the **COVID Clinic**; and
 - (b) ensure that if the child is above the age of 12 years, the child wears a face mask from when the child leaves the place where they are required to remain

under the children requirements until the child returns to that place unless one or more of the **face covering exceptions** apply to the child at that time.

AUTHORISATION

11. Any **police officer** acting at or above the rank of Senior Sergeant is authorised to give a direction which adds to, removes or modifies the requirements of paragraphs 6 to 10.

INTERPRETATION

12. Unless specified otherwise, any reference in these directions to any other direction made by the State Emergency Coordinator is deemed to be a reference to that direction as amended or replaced from time to time.

*Note: A person who is tested after they present to a COVID Clinic in accordance with these directions must comply with the **undiagnosed high risk quarantine requirements** until the person is informed of their test result unless the person is informed by a relevant officer that they do not have to comply with the undiagnosed high risk quarantine requirements: see paragraph 10 of the *Quarantine (Undiagnosed) Directions* (or any paragraph having an equivalent effect if those directions are amended or replaced).*

SCHEDULE 3

48 hour presentation requirement

1. A person who must comply with the 48 hour presentation requirement must, within 48 hours of entering Western Australia from a location outside Australia or from a restricted location:
 - (a) go to the COVID Clinic nearest to them as early as possible within that 48 hour period; and
 - (b) inform a relevant officer at the COVID Clinic that they are required to attend the COVID Clinic under these directions; and
 - (c) comply with any other instruction which a relevant officer at the COVID Clinic gives them; and
 - (d) answer truthfully if a relevant officer at the COVID Clinic asks the person to describe their state of health or asks whether the person has or has had any symptoms; and
 - (e) remain at the COVID Clinic until:
 - (i) the person has been tested for COVID-19; or
 - (ii) a relevant officer has instructed the person that they may leave the COVID Clinic.

Additional requirements

2. If a person who must comply with the 48 hour presentation requirement is subject to a requirement to quarantine at the time that they must comply with the 48 hour presentation requirement, the person must comply with the 48 hour presentation requirement and the requirement to quarantine except that, for the purposes of complying with the 48 hour presentation requirement and despite the requirement to quarantine:
 - (a) the person must leave the place where they are required to remain under the requirement to quarantine and travel to the COVID Clinic nearest to them as soon as possible and by the most direct route available and without stopping except as required by law or necessary for fuel or rest; and

- (b) once they are no longer required to remain at the COVID Clinic, the person must travel as soon as possible and by the most direct route available and without stopping except as required by law or necessary for fuel or rest to the place they are required to remain under the requirement to quarantine and remain there in accordance with the requirement to quarantine; and
- (c) the person must travel to and from the COVID Clinic nearest to them by:
 - (i) private vehicle, a taxi or rideshare service; or
Note: a rideshare service does not include a bus, train or other form of mass public transport.
 - (ii) walking, provided that:
 - (A) the COVID Clinic is located within 2 km of the place where the person is required to remain under the requirement to quarantine; and
 - (B) the person takes all reasonable steps to keep at least 1.5 metres away from any other person whilst walking to and from the COVID Clinic; and
- (d) the person must wear a face mask from when the person leaves the place where they are required to remain under the requirement to quarantine until they return to that place unless one or more of the face covering exceptions apply to the person at that time.

Note: A person who is tested after they present to a COVID Clinic in accordance with these directions must comply with the undiagnosed high risk quarantine requirements until the person is informed of their test result unless the person is informed by a relevant officer that they do not have to comply with the undiagnosed high risk quarantine requirements: see paragraph 10 of the Quarantine (Undiagnosed) Directions (or any paragraph having an equivalent effect if those directions are amended or replaced).

SCHEDULE 4

6th day presentation requirement

1. A person who must comply with the 6th day presentation requirement must, on the sixth day after the day on which a person was last outside Australia or in a restricted location (whichever is the later) or, if the person enters Western Australia after the sixth day after the day on which the person was last outside Australia or in a restricted location, within 24 hours of entering Western Australia:
 - (a) go to the COVID Clinic nearest to them as early as possible; and
 - (b) inform a relevant officer at the COVID Clinic that they are required to attend the COVID Clinic under these directions; and
 - (c) comply with any other instruction which a relevant officer at the COVID Clinic gives them; and
 - (d) answer truthfully if a relevant officer at the COVID Clinic asks the person to describe their state of health or asks whether the person has or has had any symptoms; and
 - (e) remain at the COVID Clinic until:
 - (i) the person has been tested for COVID-19; or
 - (ii) a relevant officer has instructed the person that they may leave the COVID Clinic.

Additional requirements

2. If a person who must comply with the 6th day presentation requirement is subject to a requirement to quarantine at the time that they must comply with the 6th day presentation requirement, the person must comply with the 6th day presentation requirement and the requirement to quarantine except that, for the purposes of complying with the 6th day presentation requirement and despite the requirement to quarantine:
 - (a) the person must leave the place where they are required to remain under the requirement to quarantine and travel to the COVID Clinic nearest to them as soon as possible and by the most direct route available and without stopping except as required by law or necessary for fuel or rest; and

- (b) once they are no longer required to remain at the COVID Clinic, the person must travel as soon as possible and by the most direct route available and without stopping except as required by law or necessary for fuel or rest to the place they are required to remain under the requirement to quarantine and remain there in accordance with the requirement to quarantine; and
- (c) the person must travel to and from the COVID Clinic nearest to them by:
- (i) private vehicle, a taxi or rideshare service; or
Note: a rideshare service does not include a bus, train or other form of mass public transport.
 - (ii) walking, provided that:
 - (A) the COVID Clinic is located within 2 km of the place where the person is required to remain under the requirement to quarantine; and
 - (B) the person takes all reasonable steps to keep at least 1.5 metres away from any other person whilst walking to and from the COVID Clinic; and
- (d) the person must wear a face mask from when the person leaves the place where they are required to remain under the requirement to quarantine until they return to that place unless one or more of the face covering exceptions apply to the person at that time.

Note: A person who is tested after they present to a COVID Clinic in accordance with these directions must comply with the undiagnosed high risk quarantine requirements until the person is informed of their test result unless the person is informed by a relevant officer that they do not have to comply with the undiagnosed high risk quarantine requirements: see paragraph 10 of the Quarantine (Undiagnosed) Directions (or any paragraph having an equivalent effect if those directions are amended or replaced).

Note: A person who must quarantine or isolate under another direction must continue to comply with the undiagnosed high risk quarantine requirements until they are informed of their test result irrespective of whether they otherwise would no longer have been required to quarantine or isolate. See paragraph 11 of the Quarantine (Undiagnosed) Directions (or any paragraph having an equivalent effect if those directions are amended or replaced).

SCHEDULE 5

12th day presentation requirement

1. A person who must comply with the 12th day presentation requirement must, on the twelfth day after the day on which a person was last outside Australia or in a restricted location (whichever is the later) or, if the person enters Western Australia after the twelfth day after the day on which the person was last outside Australia or in a restricted location, within 24 hours of entering Western Australia:
 - (a) go to the COVID Clinic nearest to them as early as possible; and
 - (b) inform a relevant officer at the COVID Clinic that they are required to attend the COVID Clinic under these directions; and
