 - (b) **an exempt person**,

other than where the patron enters or remains at the particular premises in any of the circumstances referred to in paragraph 8(b) to 8(h).

Proof of vaccination information

7. Subject to paragraph 8, a **responsible person** must:
 - (a) request that each patron entering a specified vaccination venue (or cause that each patron entering a specified vaccination venue is requested to) produce the patron's **accepted proof information** for sighting; and
 - (b) take all reasonable steps to ensure that a patron does not remain at the specified vaccination venue for which the person is the responsible person unless they have provided their accepted proof information.

8. A responsible person is not required to comply with paragraph 7 in respect of a patron if:
 - (a) the patron is or appears to be younger than 16 years old;

 - (d) the patron has a valid **proof exception**, or falls within a class of persons that the State Emergency Coordinator or the Chief Health Officer or a person authorised by the State Emergency Coordinator or the Chief Health Officer for that purpose has identified in writing as being a class of persons to whom a proof exception applies, provided the patron complies with any terms and conditions to which that proof exception is subject;
