KNOW THE DISTANCE OF D|STRAC|TION

**Look away for
two seconds while
driving at 60km/h...**

**...and you miss 33m
of road. Or 27 prams.**

It might only be a second or two, but if you're checking your phone, finding your sunnies, or even doing your make-up, you're not looking at the road ahead.

**Do you know the distance of
distraction?**
