

Notice of amendment under the *Waste Avoidance and Resource Recovery Regulations 2019*

Under Regulation 3S, the Chief Executive Officer (CEO) of the Department of Water and Environmental Regulation amended the product type of container approvals for the beverage products as listed in the table below.

Approval holder: Campbell Australasia Pty Ltd

Product Name	Product Barcode	Previous Product Type	Amended Product Type
V8 Hydrate Revive Pineapple & Passionfruit 1.25	9300644706384	Flavoured water /soft drink/sports drink (non-carbonated)	Fruit/Vegetable juice (<90% pure)
V8 Hydrate Raspberry & Hibiscus 1.25L	9300644706377	Flavoured water /soft drink/sports drink (non-carbonated)	Fruit/Vegetable juice (<90% pure)
V8 Hydrate Calm Peach 1.25L	9300644706292	Flavoured water /soft drink/sports drink (non-carbonated)	Fruit/Vegetable juice (<90% pure)

The grounds for the amendment were that the approval holder has requested the change of product type. The approval holder confirmed that the products conform to the proposed product type.

The amendment takes effect on Monday 8 August 2022.
