

**Notice of amendment under the *Waste Avoidance and Resource Recovery Regulations 2019***

Under Regulation 3S, the Chief Executive Officer (CEO) of the Department of Water and Environmental Regulation amended the designed capacity of container approvals for the beverage products as listed in the table below.

<b>Product Name</b>	<b>Product Barcode</b>	<b>Previous Designed Capacity</b>	<b>Updated Designed Capacity</b>
Capital Brewing Coast Ale 375ml can	9351206000037	300ml	375ml

The grounds for the amendment were that the approval holder has requested the change of designed capacity. The approval holder confirmed that the products conform to the proposed designed capacity.

The amendment takes effect on Monday 8 August 2022.
