Department of Water and Environmental Regulation

Choose good, better, or best to landfill less.

GONE

Single use
plastics.

GOOD

Compostable
alternatives.

BETTER

BYO reusable
cup.

BEST

Dine in with
glassware.

WA IS PHASING OUT MANY SINGLE-USE PLASTICS.

Many venues now provide alternatives to plastic cups for cold drinks. You can also bring your own reusable cups, or choose to 'dine in' with glassware.

Our small changes will make a big difference to reducing plastic waste.
