

State Design Review Panel – Biographies

Morag Lee	Morag Lee is a Senior Associate with HASSELL Perth whose career has revolved around the healthcare sector spanning across Europe, USA, Singapore, and Qatar.
Principal	
HASSELL Perth	With architectural qualifications that includes a Master of Arts in Health Building Planning, Management and Design, Morag moved to Perth in 2006 to take up the role as medical planning lead on the Fiona Stanley Hospital project.
	Since her return to Western Australia Morag has seen Perth change dramatically and believes the ongoing possibilities of the city cannot be underestimated. Morag wants to capitalise on the many opportunities the city has to offer and believes it is important to draw on the full spectrum of skills, experience, and expertise available within the industry.
