

State Design Review Panel – Biographies

Peter Mould

Director

Peter Mould Architect Pty
Ltd

Former New South Wales Government Architect, Peter Mould has over 40 years' experience in Australia and overseas in private sector and government.

He is a member of Design Review Panels in Sydney and interstate and sits on design juries for competitions and projects in Australia and internationally.

Peter served on NSW Heritage Council, chaired its Approvals Committee, the Central Sydney Planning Committee, and was Deputy President of the NSW Architects Registration Board.

His projects have received awards for architecture, urban design, and adaptive reuse. His experience is in major public architectural and urban design projects. He writes and lectures on architecture with a particular interest in Islamic Architecture and was Visiting Professor and later Adjunct Professor at the University of New South Wales.

Peter was awarded the Australian Institute of Architects (NSW) President's Prize for contribution to architecture, is a Life Fellow of the Institute and former Vice President of the NSW Chapter. He was a Councillor for the International Union of Architects, and a Member of UNESCO-UIA Joint Committee for the World Capital of Architecture.
