

## **Directors General ICT Council**

### **Communique – 13 December 2022**

The 27th meeting of the Directors General ICT Council (the Council) was held on 13 December 2022 at Dumas House.

The Council considered the following matters:

#### ***Privacy and Responsible Information Sharing Legislation***

The Council were briefed on the progress of the Privacy and Responsible Information Sharing (PRIS) legislation. This legislation will reform personal privacy protections and accountability of information sharing within Government, whilst supporting opportunities for the Government to responsibly use data to deliver more effective, efficient, and seamless services to better support the Western Australian community.

#### ***ServiceWA App***

The Council were presented with an update on the ServiceWA App functionalities and the WA Government's Digital Transformation journey. The Council were informed on the services that were onboarded in 2022, such as FuelWatch and Weather Stations, and proposed services for implementation in the future.

#### ***Other business***

The Council also noted updates on the following programs:

- Digital Capability Fund
- Digital Strategy Roadmap
- ServiceWA Future State
- ICT Procurement Framework
- Cyber Security Operations Centre
- Digital Policing
- Data and Linkage Advisory Committee

#### ***Next meeting***

The next meeting of the Council is scheduled for the first quarter of 2023.
