GOVERNMENT OF WESTERN AUSTRALIA

HERITAGE COUNCIL

2023 STATE HERITAGE CONFERENCE

Our Shared Heritage: Culture and Continuum

Presenter expression of interest

The Heritage Council of Western Australia and the Department of Planning Lands and Heritage are pleased to host this conference with the overarching theme of recognising the multiple values associated with State heritage and how these values are evolving.

Three sub-themes are designed to attract a diverse range of presenters and participants.

- Belonging: Understanding multiple values and their integration in heritage management
- Sharing case studies: Managing and presenting the multiple values and stories of heritage places
- Towards 2026/29: Recognition and respect

We invite expressions of interest for presentations on any of the above themes, from researchers, practitioners, community members, and heritage owners/managers, including early career researchers, young professionals and representatives of youth in our communities.
