- 2 The 2021-22 estimates report a budgeted deficit of \$24.141 million. This is mostly due to carryover of expenditure from 2020-21 to 2021-22 (where the funding was received in 2020-21). The carryover expenditure into 2021-22 results in a decrease to cash resources and contributes to the overall decrease in the agency's Statement of Financial Position (net assets projected to reduce by \$22.7 million).
- 3 The decrease in *Grants and subsidies* expenditure and *Service appropriations* is mostly due to the one-off payment in 2020-21 to Edith Cowan University for the relocation of campuses under the Perth City Deal offset by 2021 election commitment funding for 2021-22.
